Subject: Postpone hearing date?

Dear Mr. Kirschmann,

I am writing to request that the hearing of my Special Use Permit application be delayed. I have a scheduling conflict as I am already committed to be out of town during the first 2 weeks of May to attend to family matters. The appointments scheduled have been pending for 18 months and cannot be changed. It is my understanding that the following hearing date would be June 13, 2018 at 4pm.

Please can you confirm this postponement at your earliest convenience?

Many thanks.

Kind regards,

Julie Campos
