Board of Supervisors

14. Approve the over-the-counter sale of tax deed properties as set forth in the attached Exhibit A, plus related administrative fees.

Kim Lemons, Deputy Clerk of the Board presented this item. Ms. Lemons said one OTC bid, and payment had been received as noted in Exhibit A, totaling \$145. \$120 for the parcel bid, plus a \$25 administrative fee. BOS staff is requesting approval.

Supervisor English made a motion to approve the over-the-counter sale of tax deed properties as set forth in the attached Exhibit A, plus related administrative fees. Vice-Chairman Call seconded the motion.

Chairman Judd called for the vote and it was approved 3-0.

15. Ratify Letter of Intent not to renew the Intergovernmental Agreement (IGA) for legal services with the City of Bisbee and requesting early termination.

Ms. Elda Orduno, Civil Deputy County Attorney presented this item. Ms. Orduno said during the last City of Bisbee council meeting, the council voted not to approve the contract for the next term; the current contract expires June 29, 2019. Council voted to explore other options and a couple of members expressed discontent with the services offered by the County Attorney's office.

Vice-Chairman Call asked about the ramifications of not ratifying the letter.

Ms. Orduno said services would need to be provided until the end of the contract term. The letter stated a preference to terminate the contract earlier but only if the City can secure other representation.

Supervisor English said that city council members stated they had lost faith in the County Attorney and that relationship should be based on trust.

Mr. Gilligan stated the vote by council was 4-3 and Ms. Orduno clarified that the vote was to not approve the contract early in order to explore other options for representation. Supervisor English added that the environment at the meeting and opinions expressed, were what prompted this letter of intent.

Vice-Chairman Call asked Mayor Smith for comments.

David Smith, Bisbee Mayor stated he is personally very satisfied with the County Attorney's office representation that has been available at all hours. He thinks this situation is the result of discontent from one new council member about approval of a contract and they are using the attorney's office as a scapegoat. He said the council does not realize to go outside for legal counsel will ultimately cost the City more without the current stellar service received by the County. He thanked the County for all their services, including use of County facilities.

Vice-Chairman Call questioned the rush to terminate the services.

Ed Gilligan said he has discussed this matter with Mr. Hanson and listened to the Council

meeting recording. Because of the 120 day notice of termination, and the council voting to explore other options, it did not ensure Mr. Hanson would have time before our budget cycle to address staff funding issues covered by the contract. In addition, Mr. Hanson's impression was the attorney services provided were not highly valued by all the council members, which was unacceptable. Mr. Gilligan agreed with Mr. Hanson that the appropriate step in order to address workload and revenue over the next six months was the letter for early termination of the contract.

Chairman Judd asked for clarification on ratification of this letter.

Vice-Chairman Call made a motion to ratify Letter of Intent not to renew the Intergovernmental Agreement (IGA) for legal services with the City of Bisbee and requesting early termination. Supervisor English seconded the motion.

Chairman Judd called for the vote and it was approved 3-0.

Health & Social Services

16. Approve receipt of \$50,000 from Legacy Foundation of Southeastern Arizona as 40% of the cost to build an outdoor walking path for public use on county-owned conservation land at 1415 Melody Lane.

Carrie Langley, Health and Social Services Director presented this item. Ms. Langley gave the background regarding limited safe walking space and health issues of the community and the benefits of approval of this item. She answered questions from the Board about the details of the path.

The Board agreed that this would be of benefit to Cochise County and its employees.

Ms. Langley outlined the source of additional funding from the planning department and possible grants. Also, support from health staff expertise in this field.

Supervisor English made a motion to approve receipt of \$50,000 from Legacy Foundation of Southeastern Arizona as 40% of the cost to build an outdoor walking path for public use on county-owned conservation land at 1415 Melody Lane. Vice-Chairman Call seconded the motion.
