INTEROFFICE MEMO

Date: March 15, 2019
To: Cochise County Board of Supervisors
Thru: Jackie Watkins, County Engineer/Director
From: Teresa Murphy, Right-of-Way Agent
Subject: Establishing Kings Ranch Road a Declared County Highway

Recommendation: The County Engineer recommends the acceptance of the accompanying Resolution for the Establishment of Kings Ranch Road as a Declared County Highway.

Background (Brief): Kings Ranch Road is a public roadway used to access parcels within the Palominas Ranch area. In a prior Board action, it was requested to add this road to County Maintenance System and to participate in the Public/Private Partnership. To improve the road to a paved surface, the road must be declared a County Highway. This action completes the requirements of the Partnership.

In accordance with statute, staff has given notice of this public hearing for two weeks in the designated newspaper.

Fiscal Impact & Funding Sources: No fiscal impact for establishing a County Highway.

Next Steps/Action Items/Follow-up: If the recommendation is approved, no further board action is required.

Impact of Not Approving: That portion of Kings Ranch Road will not be established as a Declared County Highway.
