The County is exempt from all Federal Excise taxes. Out-of-state vendors shall not apply sales tax to purchases made by the County, unless required by their state. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes.

1.2 Payment Terms

The County, unless otherwise specified on the Contractor's submission documents, reserves the right to apply Net 30 payment terms to all invoices submitted after the contract is awarded. The County will include any relevant discount terms during the evaluation for contract award, if it is deemed to be in the best interest of the County.

The County will pay the Contractor within thirty (30) days of services rendered following the submission of itemized invoice(s) including the Contractor company name, phone, invoice number, email address, and mailing address prior County approval and for any services rendered. No payment shall be issued prior to receipt of service and a correct invoice. Each payment request must bear written certification by an authorized County representative confirming the services for which payment is requested have been performed and received.

In order to receive payment, the Contractor shall have a current I.R.S. W9 Form on file with the County.

- Cancel the Contract; or
- Cancel the contract and re-solicit the requirements.

1.7 Availability of Funds for the Next Fiscal Year

Funds may not presently be available for performance under this Contract beyond the current County fiscal year. No legal liability on the part of the County for any payment may arise under this Contract beyond the current County fiscal year until funds are made available for performance of this Contract.

1.8 Right of Offset

The County shall be entitled to offset against any sums due the Contractor, any expenses or costs incurred by the County, or damages assessed by the County concerning the Contractor's non-conforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform Terms and Conditions.

1.9 Payment by the County

Each payment obligation of the County created hereby is conditioned upon the availability of County, State, and Federal funds that are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the County and available for the continuance of services herein contemplated, the contract period for the service may be terminated by the County at the end of the period for which funds are available. The County shall notify the Contractor at the earliest possible time which service will or may be affected by a shortage of funds. No penalty shall accrue to the County in the event this provision is exercised, and the County shall not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

Failure by the Contractor to provide written assurance within the number of Days specified in the demand may, at the County's option, be the basis for terminating the Contract under the Uniform Terms and Conditions or other rights and remedies available by law or provided by the contract.

3.17 Stop Work Order

The County may, at any time, by written order to the Contractor, require the Contractor to stop all or any part, of the work called for by this Contract for period(s) of days indicated by the County after the order is delivered to the Contractor. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.

If a stop work order issued under this clause is canceled or the period of the order or any extension expires, the Contractor shall resume work. The Procurement Department shall make an equitable adjustment in the delivery schedule or Contract price, or both, and the Contract shall be amended in writing accordingly.

3.18 Warranties

Contractor warrants that all material, service or construction delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material, service, or construction specified and any inspection incidental thereto by the County shall not alter or affect the obligations of the Contractor or the rights of the County under the foregoing warranties. Additional warranty requirement may be set forth in this document.

3.19 Licenses

The Contractor agrees that the Work shall be prosecuted promptly, regularly, diligently and uninterruptedly at such rate of progress as will insure full completion thereof within the time specified.

3.21 Guarantee

The Contractor shall guarantee all work under this Agreement against defects of material and workmanship as referenced in the Scope of Work.

4.0 Legal

4.1 Force Majeure

Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence.

Force Majeure shall not include the following occurrences:

- Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market;
- Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or
- Inability of either the Contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.

If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract amendment or modification for a period of time equal to the time that results, or effects of such delay prevent the delayed party from performing in accordance with this Contract.

Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

4.2 Antitrust Violations

The Contractor assigns to the County any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor, toward fulfillment of this Contract.

The County maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the County any and all claims for such overcharges as to the goods or services used to fulfill the Contract.

4.3 Non-exclusive Remedies

The rights and the remedies of the County under this Contract are not exclusive.

4.4 Suspension or Debarment

The County may, by written notice to the Contractor, immediately terminate this Contract if the County determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of a contract shall attest that the contractor is not currently suspended or debarred. If the contractor becomes suspended or debarred, the contractor shall immediately notify the County.

4.5 Claims and Disputes

County Contract Representative's Resolution of Claims and Disputes; Review by Procurement Director

This section relates to claims for additional compensation and any other differences between the parties arising under and by virtue of the Agreement/Contract. Such claims are to be resolved at the earliest possible time and at the first responsible level to increase the possibility that such matters will be resolved, without the vexation of an administrative hearing process, arbitration or litigation.

All claims, including but not limited to, claims relating to adjustments or interpretations of the Contract, payments of money, or other relief with respect to the terms of the Contract, shall be referred initially in writing to the County Procurement Department Representative for action. The responsibility to substantiate claims shall rest with the party making the claim.

Claims by either party must be made within fourteen (14) days after the event giving rise to the claim or within fourteen (14) days after the claimant first becomes aware of the condition giving rise to the claim, whichever is later.

Pending final resolution of a claim, the Contractor shall proceed diligently with performance of the Contract and the County shall continue to make payments in accordance with the Agreement/Contract.

The County Procurement Department Representative shall, within fourteen (14) days of receipt of a claim, do one of the following:

- (1) Issue a decision either rejecting or approving the claim.
- (2) Suggest an equitable compromise of the claim.
- (3) Provide a schedule to the parties indicating when they expect to be able to take action, which shall be within a reasonable time.

The County Buyer may require the submission of additional documentation from either party to facilitate a decision. In each case, the County Procurement Department Representative will submit reasons and/or documentation supporting its action and the deadline shall be extended by the time it takes to obtain a response thereto.

The parties shall have ten (10) days from the date of the County Contract Representative's final decision rejecting or approving a claim, or suggesting a compromise, within which to accept or object to the decision. Failure of a party to accept or object to the decision in writing within such ten (10) day period shall be deemed an acceptance of the decision. If either party rejects the decision of the County Procurement Representative in writing within such ten (10) day period, the matter shall be referred to the Procurement Director for *de novo* review.

The Procurement Director shall have sixty (60) days from receipt of a written objection by the Contractor to the County Contract Representative's final decision, or such longer period as the parties may stipulate in

writing, to review the matter and issue a response in accordance with Section 15 of the Cochise County Procurement Code. During such period, the Procurement Director may require such additional documentation or testimony as deemed necessary to support his/her response.

4.6 Arbitration

The parties to this Contract agree to resolve all disputes arising out of or relating to this contract through arbitration, after exhausting applicable administrative review, to the extent required by A.R.S. § 12-1518, except as may be required by other applicable statutes (Title 41).

4.7 Boycott of Israel

In accordance with A.R.S. §35-393.01, Contractor/Consultant certifies that the Contractor/Consultant is currently not engaged in, and for the duration of any proceeding contract agrees not to engage in, a boycott of Israel.

Unless and until the District Court's injunction in *Jordahl v. Brnovich et al.*, Case No. 3:17-cv-08263 (D. Ariz.) is stayed or lifted, the Anti-Israel Boycott Provision (A.R.S. 35-393.01 (A)) is unenforceable and the State will take no action to enforce it. This attachment (Participation in Boycott of Israel) is not a mandatory part of the offer as long as the injunction remains in place. Offers will not be evaluated based on whether this certification has been completed.

4.8 Non-Collusion

Firms submitting proposals shall warrant that their offer is made without any previous understanding, agreement or connection with any person, firm or corporation submitting a separate proposal for the same project and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. This condition shall not apply to proposals which are submitted by firms who have partnered with others to submit a cooperative proposal that clearly identifies a primary Consultant and the associated sub-consultant(s).

4.9 Protests and Appeals

In accordance with Section 15 of the Cochise County Procurement Policy Manual, any actual or prospective Contractor or offeror who is aggrieved in connection with the solicitation or award of a contract may appeal to the Procurement Director. The protest shall be submitted in writing to the Procurement Director within five (5) working days after such aggrieved person or company knows, or should have known, of the facts giving rise thereto.

4.10 Contract

The Contract shall be based upon the solicitation issued by the County and bid/offer submitted by the Contractor in response to the solicitation. The bid/offer shall substantially conform to the terms; conditions and other requirements set for with the rest of the solicitation, the contract, and any attachments to either document. The County reserves the right to clarify any contractual terms with the concurrence of the Contractor. However, any substantial non-conformity in the bid/offer shall be deemed non-responsive and the offer rejected. The Contract shall contain the entire agreement between the County and the Contractor relating to this requirement and shall prevail over any and all previous agreements, contracts, proposals, negotiations, purchase orders or master agreements in any form.

4.11 Legal Remedies

If the Contractor and the County are unable to mutually resolve disputes arising under this contract, all disputes arising under or relating to this Contract shall be settled by binding Arbitration. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of costs, expenses, and reasonable attorneys' fees. Any such Arbitration shall be conducted by an experienced and knowledgeable Arbitrator(s) and shall include a written record of the Arbitration hearing. If the Contractor and Cochise County can mutually agree upon an Arbitrator, that Arbitrator shall be selected. If not, the Contractor and Cochise County shall each select an Arbitrator and those two Arbitrators shall select a third Arbitrator (or the Contractor and Cochise County shall request a third Arbitrator from the Arizona Arbitration Association). All Arbitrations will be held in the State of Arizona and under the Arizona Rules of Arbitration. All claims and controversies shall be subject to A.R.S. § 12-1518 et. seq.

Any additional costs attributable directly or indirectly to remedial action under this Section shall be responsibility of the CONTRACTOR. In the event that remedial action under this Section results in delay to one or more tasks on the critical path of the CONTRACTOR's approved construction or critical milestones schedule, such period of delay shall be deemed excusable delay for which the CONTRACTOR shall be entitled to an extension of time, but not costs.

If the CONTRACTOR and the COUNTY are unable to mutually resolve disputes arising under this CONTRACT, all disputes arising under or relating to this CONTRACT shall be settled by binding Arbitration. Any decision or award as a result of any such arbitration proceeding shall be in writing and shall provide an explanation for all conclusions of law and fact and shall include the assessment of costs, expenses, and reasonable attorneys' fees. Any such Arbitration shall be conducted by an experienced and knowledgeable Arbitrator(s) and shall include a written record of the Arbitration hearing. If the CONTRACTOR and the COUNTY can mutually agree upon an Arbitrator, that Arbitrator shall be selected. If not, the CONTRACTOR and the COUNTY shall each select an Arbitrator and those two Arbitrators shall select a third Arbitrator (or the CONTRACTOR and COUNTY shall request a third Arbitrator from the Arizona Arbitration Association). All Arbitrations will be held in the State of Arizona and under the Arizona Rules of Arbitration. All claims and controversies shall be subject to A.R.S. § 12-1518 et. seq.

This CONTRACT shall be governed by, and the COUNTY and CONTRACTOR or shall have all remedies afforded each by the Uniform Commercial Code, as adopted in the State of Arizona, except as otherwise provided in this CONTRACT or in statutes pertaining specifically to the State. The Law of the State of Arizona shall govern this CONTRACT, and suits pertaining to this CONTRACT shall be brought only in Federal or State Courts in the State of Arizona. This provision does not supersede or invalidate the arbitration requirement.

4.12 Rights and Remedies

No provision in this document or in the Contractor's offer shall be construed, expressly or by implication as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim of default or breach of Contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract or to exercise or delay the exercise of any right or remedy provided in the Contract, or by law, or the acceptance of materials or services, or the payment for materials or services, shall not release either party from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.
