More traffic on Mesca! Rd. causing problems.  
Also Every store that is out in cause more trash thrown  
out car windows. Pure fact since McDonald opened the  
amount of trash has increased 100 fold.

I want this area to stay very rural. That's why I moved  
here in 1982.

**NO, I DO NOT SUPPORT THIS REQUEST:**

Please state your reasons:

We already have businesses in our area that have turned our community to trash. Adding a low budget dollar store will only enhance this. It is not a food store, a medical facility or a business serving the good of our community. It will be an ugly blight on a natural landscape and is not necessary to have here. Like other failed businesses it will just be an ugly vacant storefront.

As we discussed early today. My mother passed and left me trustee of her estate. I have not had a chance to change the name on the property.

I have decided to support the decision made by the majority of the residents of Mescal Lakes regarding the building of the Dollar General Store.

If there are any more questions, you may call me at 314-429-7163 or continue to write me at the St. Louis, MO address.

Attention Robert Kirschmann, Planner 11,

I support this request for rezoning docket z-19-02. I feel that competition is good for the area. At this time we only have one store in the immediate area. This particular store is very expensive and is not the cleanest place in town. With some good competition I feel that the store here will step up to the plate and compete with another store. I have been in several Dollar General Stores and they have been well stocked with merchandise. They are priced reasonable and clean!
