Subject: Objection of Merrill offset
Attachments: Objection to Merrill property offset.tax2018

Robert,

I have attached it but Husband didn't read the variance very good. He states today that he is okay with the 10' offset if the board plans to approve the variance. His objection was to the building altogether as it is his belief it is a commercial business that is expanding from 2 stalls to more stalls. He has no proof for this belief so I'm sure that cannot be considered by the variance board.
