To whom it may concern,

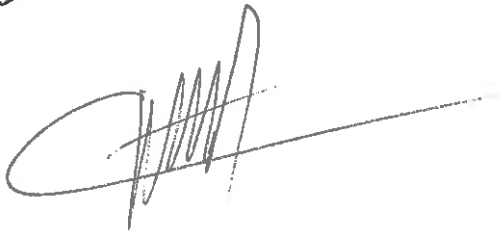

My husband and I have lived in our home for quite a few years, and he owns his own contracting company that is a home based business. Kevin Hoey is our neighbor and since we have lived here he has owned military brothers moving that is also a home-based business. We have no issues with him running his company from his home and keeping his box trucks in his yard. He is a courteous neighbor, he has never made excessive noise or blocked anyone's carport or yard having his trucks on our street. We don't have any issues with him parking his trucks in his side yard or working on his trucks from home. We have spoken to quite a few of our neighbors and it seems only his neighbor has an issue, and that same neighbor has personally given us a hard time as well. Thank you for your time.

Sincerely,

Maria Monica Lopez

TO WHOM IT MAY CONCERN,

My name is Gertrude Sullivan and I live at 300 N. 4th Street, Sierra Vista, Arizona.

Kerrin Hoey is my neighbor. He wishes to work on a vehicle (I believe a large truck) at his residence.

I have no objection as long as the vehicle is not started or running prior to 7:00 A.M. and as long as his vehicle does not block my ability to pull my vehicle in and out OF my carport.

Trudy Sullivan
