Cochise County
Board of Supervisors
Attn: Ann English
1415 Melody Lane, Bldg. G
Bisbee, AZ 85603

Dear Mrs. English and other Board Members:

I am looking for the opportunity to make a difference in the quality of life for Cochise County citizens. I have more than thirty-five (35) years of both public and private experience. My skill set, and background will enable me to make wise decisions to better the county and to lead my constituents.

I have been a teacher, business owner, CCSO employee, and Arizona Ranger. I've been a public servant educator for seven (7) years. As a teacher I've developed and mastered the skills to empower people, lead the way, communicate effectively, be well organized, creative, and most importantly a team player.

As a business owner for six (6) year, I've learned the following skills: financial management, marketing, customer service, problem solving, delegation, negotiation, and time management.

Being a CCSO employee and Arizona Ranger has taught me to be compassionate, flexible, responsible, and to remain calm in challenging situations.

Lastly, I moved to Cochise County in 2005 and reside in Hereford, Arizona. I'm married and a father of three (3) adult sons. I am a member of the Republican Party. I am a perfect fit for this position and I will benefit the citizens of Cochise County.

Sincerely,

Victor Reece
