Four Tails Vineyard Site diagram property

Exhibit A – Winery Premises 120 x 150

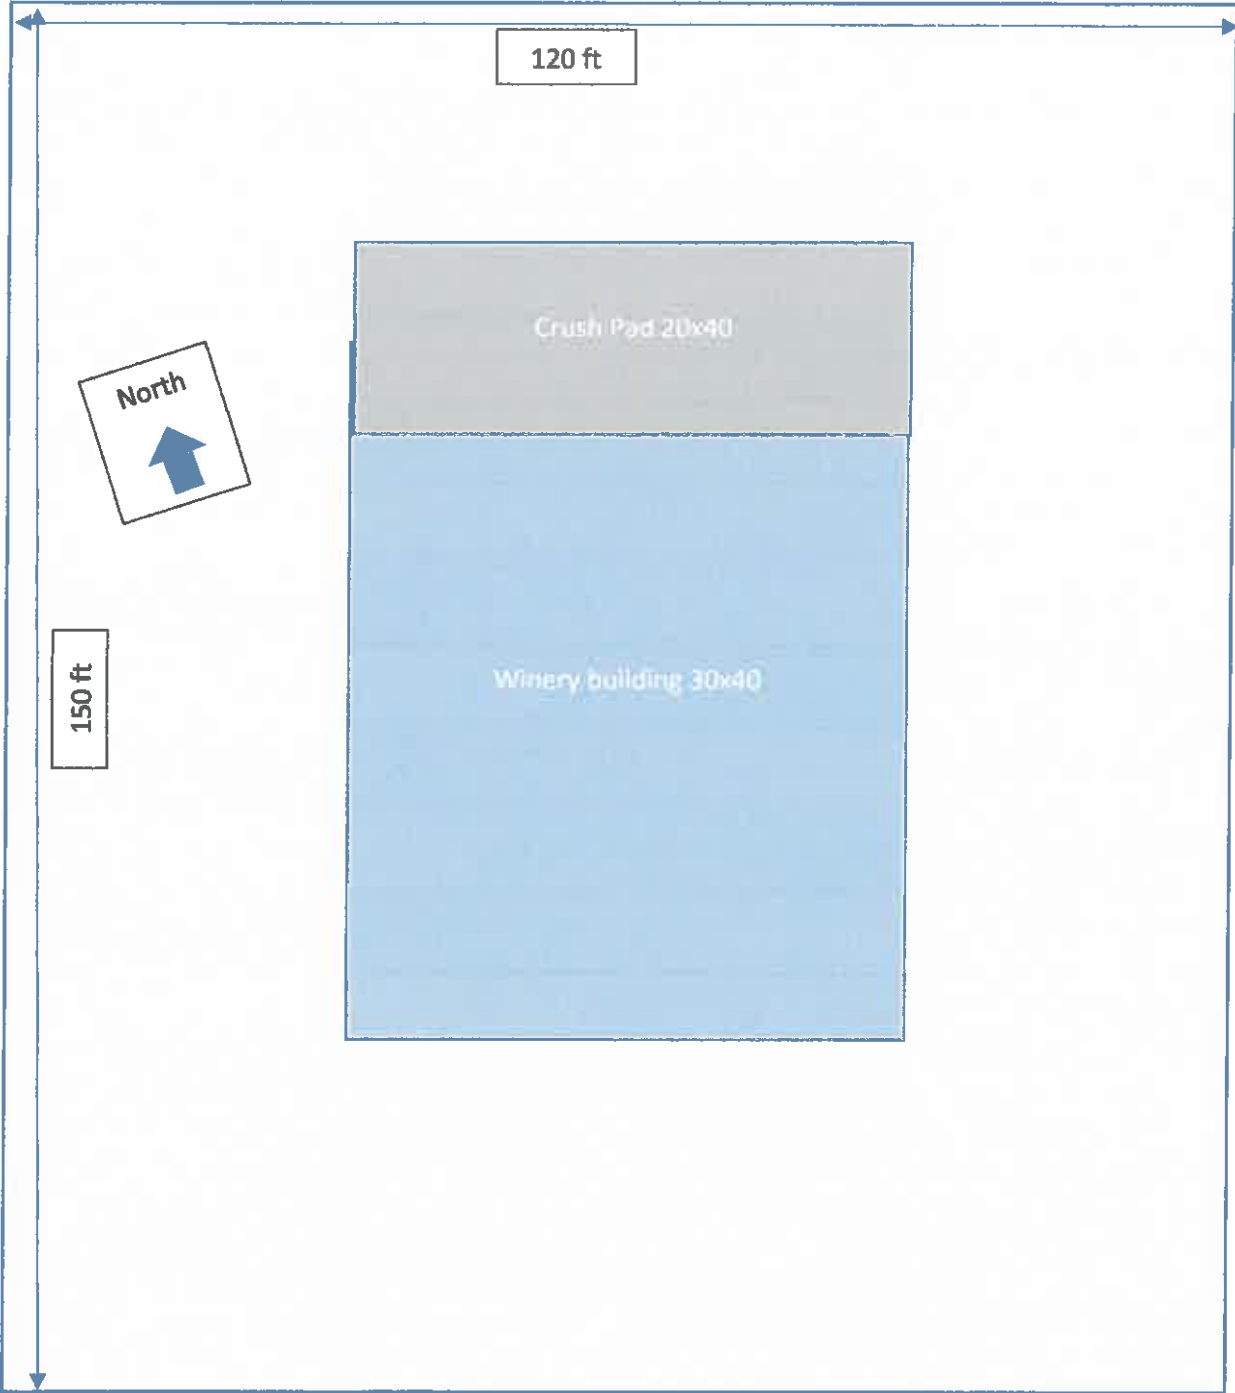

Exhibit B – Separate Winery Building

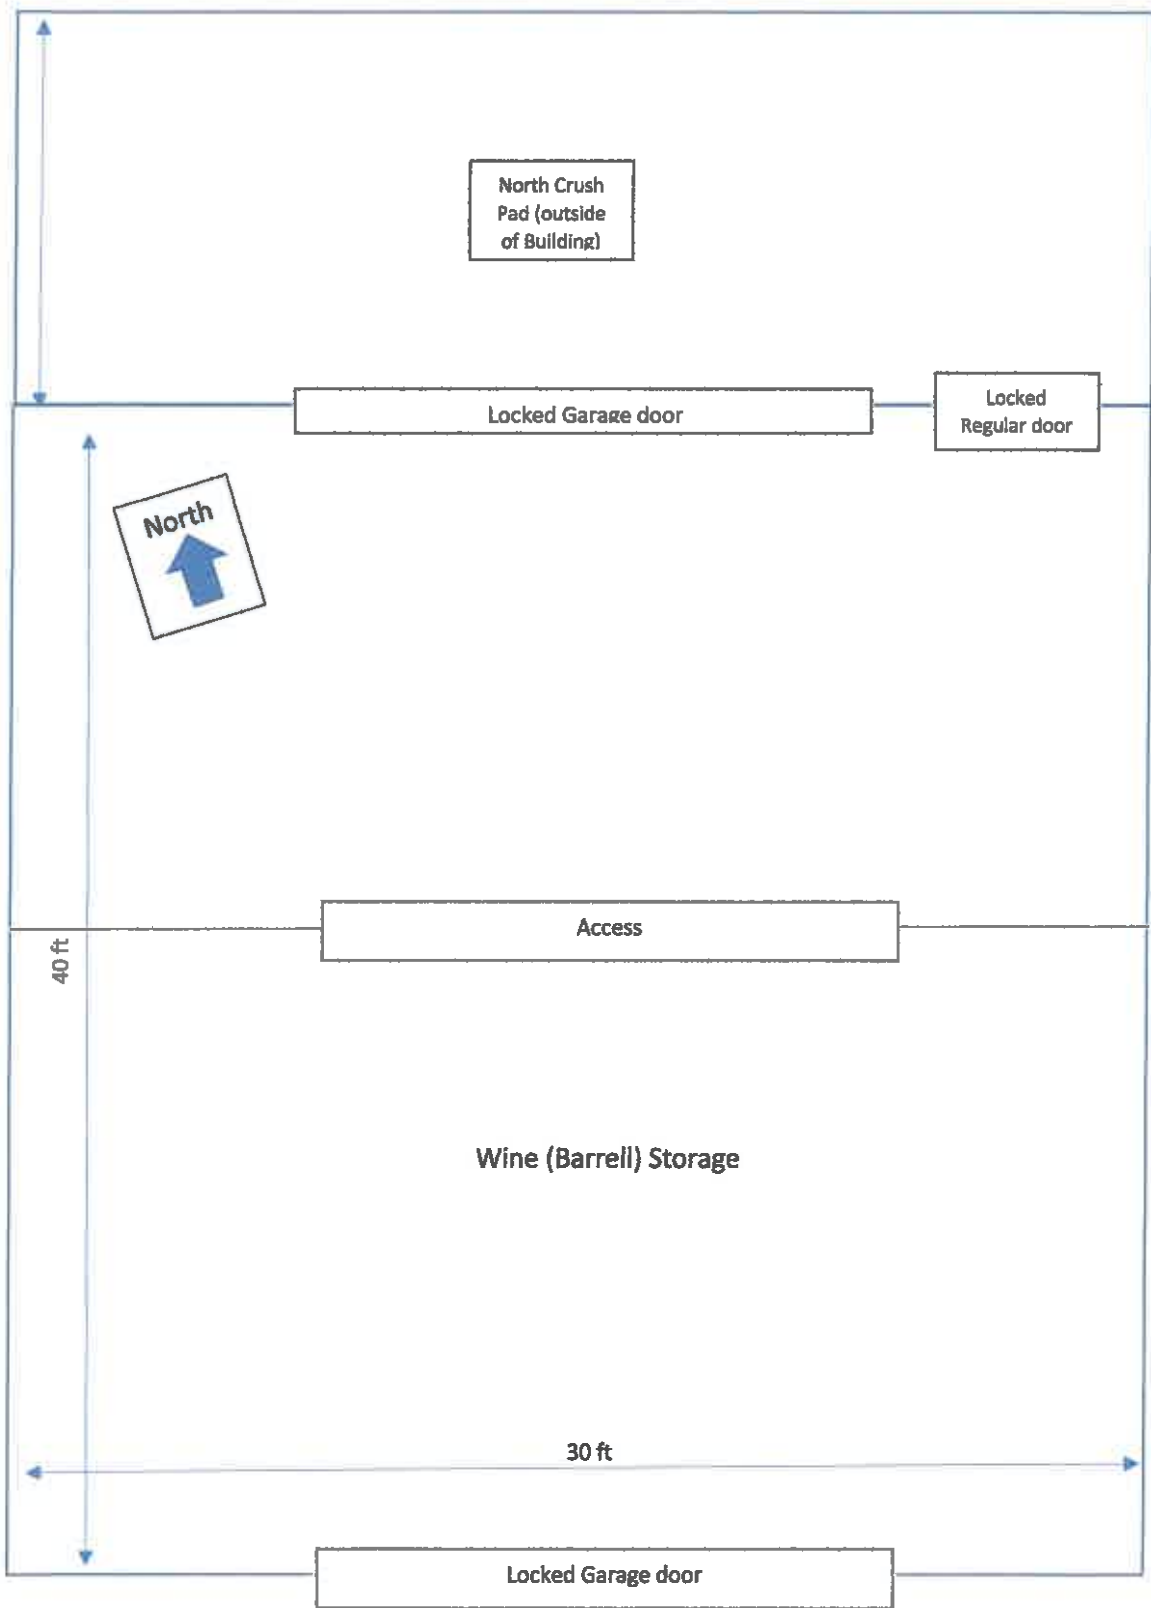

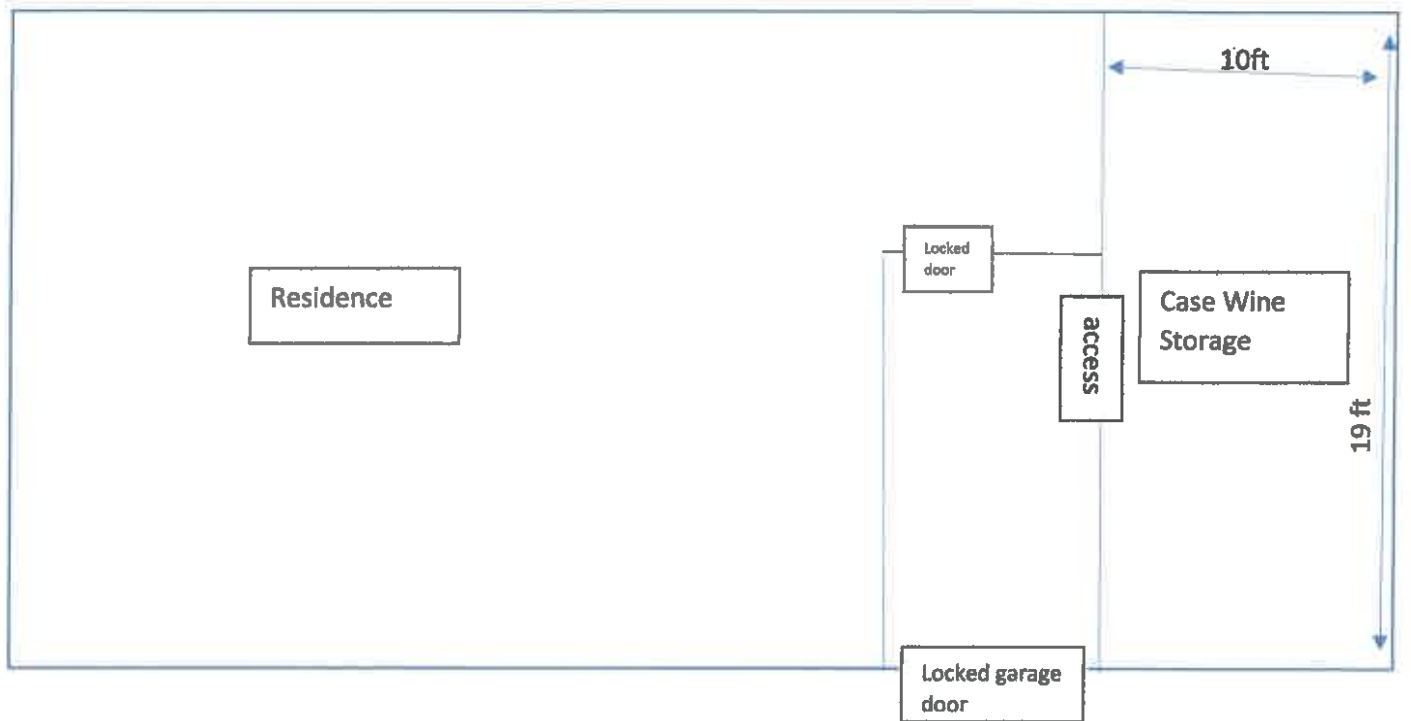

Exhibit C – Wine Case storage attached, but separate from residence.

One of the structures for the bonded winery is located in a separate building from the residence and is used solely for business use. The winery building is in the North side of the property. It is a steel building with two large garage doors and one regular door. All doors are locked and secured. The size of the building is 1200 sq. ft. (30x40).

Additionally, the two-car garage (20x19ft) attached to the residence is used for wine storage. The two-car garage is divided with a permanent wall in between for wine storage on the Southwest side of the structure (10x19), 190sq ft. Access to the storage area is through a door inside of the garage. The door to the residence is kept locked and the garage is secured with an automatic opener. This space is used for storage only and not a tasting room.

The 38.16 acre parcel has 8ft tall deer fencing surrounding it. There is one gate on the north side of the property along Pearce Rd. The wine storage locations are within the fenced 38.16 acres. The separate winery building has 1 regular door with a lock and 2 garage doors with locks. The attached garage wine storage area has 1 door to the residence that is locked at all times, and a garage door secured with an automatic garage door opener.

The separate bonded winery is not within the residence premise. The bonded winery is located in a separate building that is located approximately 600 feet from the house (northwest). The bonded winery is always locked. The additional bonded wine storage area within the attached garage of the residence is always locked.

In the wine storage room (the bonded area), we will segregate all taxpaid wine from un taxpaid wine, and we will identify the taxpaid wine by affixing a sign on the pallets that will read {TAXPAID}. Bottles or cases moved to/from the wine storage area will be recorded according to whether it came from taxpaid or un taxpaid wine.

One side of the attached two car garage is used for wine storage.
