COMPLETE COUNT COMMITTEE 2020

Cochise County Resident

February 25, 2020

Dear Neighbor,

The Census Bureau is visiting this location as part of the 2020 Decennial Census. The decennial census counts everyone in the United States, including people who live or stay in nontraditional living situations such as RV parks, marinas, campgrounds, racetracks, carnivals, and hotels/motels. The Census Bureau data collected determine how more than \$675 billion of federal funding are spent on infrastructure, programs, and services each year.

Please allow the census interviewers access to your location as they knock on the doors of the occupied residential structures and/or units in your area so that they may attempt to speak with residents. The census interviewers will work efficiently with minimal disruption to residents. Each interview will take approximately 10 minutes.

The Census Bureau is required by law to protect your information (Title 13, U.S. Code, and Section 9). The Census Bureau is not permitted to publicly release your responses in a way that could identify anyone. The Bureau is conducting this survey under the authority of Title 13, U.S. Code (Sections 141, 193, 221 and 223). Federal law protects your privacy and keeps your answers confidential (Title 13, U.S. Code, Section 9). Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data. All web data submissions are encrypted in order to protect your privacy.

For more information on how the Census Bureau protects your information, please visit www.2020census.gov and click on "Data Protection and Privacy Policy" at the bottom of the home page. This page also includes information about the collection, storage, and use of these records; click on "System of Records Notices (SORN)" and look for Privacy Act System of Records Notice COMMERCE/CENSUS-5, Decennial Census Program.

Please also visit the Arizona Complete County Committee website at www.azcensus2020.gov for more information about the important census work in 2020!

Thank you for your cooperation!

Respectfully,
