**21-06-SWD-01**

### **Attachment 2 – Scope of Work**

The awardee of solicitation 21-06-SWD-01 (“CONTRACTOR”), shall provide all labor, materials, transportation and expertise in order to accomplish Aerial Density Landfill Survey services to the satisfaction of the County. The Contractor shall complete the following tasks:

#### **Task 1 – Density Calculations and Report**

Under this task, the CONTRACTOR shall calculate the density of the waste in place at the COUNTY Western Regional Landfill (WRL) using data from waste receipts along with a survey of the landfill. CONTRACTOR will utilize as-built drawings from the landfill design compared to the most recent available survey data to determine the geometry and current volume of the waste in place. In addition, the CONTRACTOR shall assume that COUNTY personnel will provide survey points at locations identified by the CONTRACTOR to supplement the most recent survey to provide up to date information.

CONTRACTOR shall perform the following tasks to the satisfaction of the COUNTY, including, but not limited to:

##### Task 1.1 – Analyses

CONTRACTOR shall perform aerial studies of landfill sites as dictated throughout 21-06-SWD-01 through the utilization of a drone, in accordance with all Federal, State and local regulations. This data shall be interpreted into information and reported to the COUNTY in accordance with Task 1.1 – Reporting.

##### Task 1.1 – Reporting

CONTRACTOR shall provide reports in a prescribed format which includes the following information:

- Density calculation data including tables
- Background information supporting data
- Executive summary for all data provided

#### **Task 2 – Additional As-Needed Services**

CONTRACTOR shall provide assistance, as needed, with other unforeseen issues or requirements that may arise regarding studies pertaining to the COUNTY WRL. CONTRACTOR shall perform this work on a time and materials basis upon such expressed request by those deemed as Authorized Ordering Officials as outlined within the award document, if approved by the Procurement Department through a modification to the contract based upon provided labor rates at the time of award.
