## ACTIVITY DESCRIPTION

This request is for tuition costs associated with the Cochise County Hazardous Waste Operations 40 hour certification training. This class will certify members of the County HAZAMT Response Team assigned to clean up and environmental mitigation tasks. These team members are primarily associated with County Public Works and Environmental Health Services departments. This training meets the requirements outlined in OSHA standard 29 CFR Part 1910.120.

## HOW DOES THIS FURTHER YOUR ORGANIZATIONS MISSION

This request supports the HAZMAT team's requirement to respond to and mitigate hazardous materials spills in the county. It also supports preventative and mitigation efforts conducted by members of the team who serve with the county public works and environmental health services departments who are assigned to respond to spills on county roads or at county owned properties.
