Subject: Docket Z-2--11 Andasola

Thank you for informing us of the possible adjustment to the Andasola property. We appreciate the information and the offer to provide input if desired.

We see no reason why the adjustment in zoning should not be approved. It seems that the highest and best use of subject property is residential and one dwelling per four acres is in keeping with the rural nature which we and others covet.

We also appreciate an office that is responsive, open and supportive in helping property owners move forward in developing their properties to meet their needs and fulfil their dreams. We thank you for your service.

Respectfully,

Lona Jean and Jeff L Roberts
