**Steps the LWDB, Chief Elected Official (CEO), and ARIZONA@WORK Job Center partners took to reach consensus and/or an assurance that the Local Workforce Development Area followed guidance for the state infrastructure funding mechanism**

The co-located partners have decided to use the FTE methodology for shared costs.

**The process ARIZONA@WORK Job Center partners will use to resolve issues related to infrastructure funding during the MOU duration period when consensus cannot be reached**

Partners will meet with the LWDB to negotiate a resolution to resolve issues related to infrastructure funding. If a resolution cannot be reached the LWDB and ARIZONA@WORK Job Center partners will seek technical assistance from the State of Arizona to reach a consensus.

**A description of the periodic modification and review process to ensure equitable benefit among ARIZONA@WORK Job Center partners**

All partner contributions, regardless of the source, will be reconciled and adjusted accordingly on a quarterly basis to ensure each partner program is contributing no more than its proportionate share based upon relative benefits received in accordance with the Uniformed Guidance at 2 CFR part 200. Budgeted contributions will be validated against actual expenditures and adjusted on a quarterly cadence. Then, the reconciliation will be shared with partner programs contacts listed in this agreement.
