## 2103.02 Variances

The Board of Adjustment may grant a variance from the terms of these Zoning Regulations when, owing to peculiar conditions, a strict interpretation would work an unnecessary hardship, if in granting such variance the general intent and purposes of the Zoning Regulations will be preserved. It shall be the responsibility of the applicant to submit any studies and/or data necessary to demonstrate the effectiveness of the alternative conditions.

These zoning regulations are generally intended to yield results that are in compliance with all other applicable laws. A request for a "reasonable accommodation" in these regulations, pursuant to any federal or state housing law or other similar legislation, as may be necessary to afford an equal opportunity to housing under any such law, shall be considered to be an appropriate condition for a variance from the strict application of these zoning regulations. The Board of Adjustment is authorized to grant any such variance, to the extent that any such accommodation is required pursuant to any applicable state or federal law.

Any decision of the Board of Adjustment allowing a variance shall be considered for revocation by the Board of Adjustment if substantial construction, in accordance with the plans for which such variance was granted, has not been initiated within 12 months of the date of approval, building permit issuance, or if judicial proceeding to review the Board of Adjustment's decision has been instituted, 12 months from the date of entry of the final order in such proceedings, including appeals. Additionally, if any of the conditions of the variance approval are not complied with within 12 months or within the time period set by the Board, it shall be revoked after 30 days notice to the owner and applicant, unless a request for a review hearing before the Board of Adjustment is made by the applicant within this 30 day appeal period. The Board of Adjustment may grant reasonable extensions to the time limits upon a hearing pursuant to a timely written request by the applicant.
