Dear Ms. Morrison:

Enclosed are two signed originals of our standard joint-funding agreement for the hydrologic monitoring in the Sierra Vista Subwatershed of the Upper San Pedro Basin, for the period October 1, 2019, through September 30, 2020, in the amount of \$77,225 from your agency. U.S. Geological Survey contributions for this agreement are \$34,500 for a combined total of \$111,725. Please sign and return one fully-executed original to Autumn Henson at the address above.

Federal law requires that we have a signed agreement before we start or continue work. Please return the signed agreement at your earliest convenience. If, for any reason, the agreement cannot be signed and returned by the date shown above, please contact Bruce Gungle by phone number (520) 670-3303 or email [bgungle@usgs.gov](mailto:bgungle@usgs.gov) to make alternative arrangements.

This is a fixed cost agreement to be billed quarterly via Down Payment Request (automated Form DI-1040). Please allow 30-days from the end of the billing period for issuance of the bill. If you experience any problems with your invoice(s), please contact Rebecca Ramirez at phone number (520) 670-3345 or email at [rramirez@usgs.gov](mailto:rramirez@usgs.gov).

The results of all work performed under this agreement will be available for publication by the U.S. Geological Survey. We look forward to continuing this and future cooperative efforts in these mutually beneficial water resources studies.

Sincerely,
