Dear Ms. Watkins:

Enclosed are two signed originals of our standard joint-funding agreement for the operation and maintenance of the streamgages with the Cochise County Flood Control District, during the period October 1, 2019, through September 30, 2020, in the amount of \$16,210 from your agency. Please sign and return one fully-executed original to Autumn Henson at the address above.

Federal law requires that we have a signed agreement before we start or continue work. Please return the signed agreement by February 29, 2020. If, for any reason, the agreement cannot be signed by February 29, 2020, please contact Hugh Darling by phone number (928) 782-6024 Ext 10 or email hdarling@usgs.gov to make alternative arrangements.

This is a fixed cost agreement to be billed quarterly via Down Payment Request (automated Form DI-1040). Please allow 30-days from the end of the billing period for issuance of the bill. If you experience any problems with your invoice(s), please contact Rebecca Ramirez at phone number (520) 670-3345 or email at rramirez@usgs.gov.

The results of all work performed under this agreement will be available for publication by the U.S. Geological Survey. We look forward to continuing this and future cooperative efforts in these mutually beneficial water resources studies.

Sincerely,
