### ARTICLE 2

#### DEFINITIONS

---

##### **201 Intent**

This article is intended to clarify the meaning of any term used within these Zoning Regulations for which the common definition may not serve the purpose of the Zoning Regulations, or which is not a commonly used term outside of the context of these Zoning Regulations.

##### **202 Interpretations**

Any dispute regarding the meaning of any word or term used in these Zoning Regulations shall be decided by the County Zoning Inspector, and all such decisions shall be subject to appeal to the appropriate Board of Adjustment.

##### **203 Definitions**

**Access** - A means of vehicular ingress and egress connecting a site to the roadway system.

**Accessory Living Quarters** – An attached or detached structure (including detached bedrooms) that is used either as a guesthouse or as quarters for the ill, elderly or disabled, or their caretaker(s). Accessory Living Quarters must be incidental and subordinate in size (including all garages, porches, etc), impact, and purpose to a principal dwelling.

Detached Accessory Living Quarters are limited to one kitchen per unit.

~~Except for parcels zoned Rural, in the absence of a Special Use Authorization, the Accessory Living Quarters shall not have a separate address or separate utility meters. In the absence of a Special Use Authorization, the Accessory Living Quarters shall not be rented separately from the main residence, nor used for commercial purposes other than a Home Occupation.~~

There shall be no more than one Accessory Living Quarters per lot or parcel. Recreational vehicles, other than park models, shall not be permitted as Accessory Living Quarters in any Zoning District. Manufactured homes, rehabilitated mobile homes, and park models may be permitted as Accessory Living Quarters in those Zoning Districts that allow mobile homes and manufactured homes as permitted structures.

Special Use Authorization is required to rent an Accessory Living Quarter separately from the main residence or any use for commercial purposes other than a Home Occupation. Only parcels zoned Rural may have separate address or separate utility meters for an Accessory Living Quarter. Special Use Authorization is required to allow a separate address or separate utility meters in all other Zoning Categories.

**Accessory Structures or Uses** - Structures or uses on the same site and of a nature customarily incidental and subordinate in size, impact, and purpose to the principal structures or uses. Accessory structures or uses shall observe all site development standards required of the principal structure or use, except as otherwise specified within these Zoning Regulations. Structures attached to the principal structure shall be considered a part of that principal structure.

**Acre** - An area of land comprising forty-three thousand, five hundred sixty (43,560) square feet.

**Agriculture General** - A tract containing a minimum of five (5) contiguous commercial acres which is being used for the production of farm, garden, or orchard crops, or the grazing or raising of farm animals, including feeding pens that are incidental and subordinate to a grazing operation. Examples of commodities produced include vegetables, fruit trees, grapes, cotton, grain, poultry, horses, cattle, sheep, and swine. The term "general agriculture" includes such uses as the necessary treatment, packing, or storage of farm products produced on premises, the sale of any farm crops or livestock raised on premises, and any signs, structures, or fences utilized for agricultural functions. By statute, "general agriculture" includes dairy operations, including areas designated for raising heifers and bulls owned by the same dairy operation that is on property contiguous to the dairy operation or within one-quarter of a mile. It does not include signs advertising off-premise facilities, junkyards, other retail sales, manufacturing, any non-agricultural services, stockyards, slaughterhouses/meat packing plants, commercial pen feeding, production wineries, bone yards, plants for the reduction of animal matter, poultry feeding operations, agricultural processing plants, or the growing of medical marijuana.

**Agricultural Processing Services** - ~~Those services which alter the condition of and add value to a marketable, agricultural commodity through a processing activity.~~ A facility that packages, sorts, or grades livestock or livestock products, agricultural commodities, or plants or plant products into goods that are used for intermediate or final consumption including goods for nonfood use. Agricultural processing services do not include slaughterhouses/meat packing plants, commercial feedlots, bone yards, or facilities for the reduction of animal matter.

**Agricultural Processing Services, On-Site** - An agricultural processing service located in Growth Category D where at least 70% of the crop input for facility is grown on site. No use or building permit is required.

**Airport** - An area of land or water that is used or intended to be used for the landing and take-off of aircraft, including its buildings and facilities, ~~helipads, and heliports.~~

**Airstrip** - A long, flat piece of land from which trees, rocks, etc. have been removed so that aircraft can take off and land.

**Alley** – A public or private thoroughfare, generally less than 20-feet in width, located in the rear or on the side of a set of parcels that provides a secondary means of vehicular access to abutting properties.

**Amateur Radio** - Also called "Ham Radio", the radio facilities and use of designated radio frequencies operated for noncommercial purposes by individuals for the purpose of self-training, intercommunication and technical investigations carried out by amateurs, that is, duly authorized persons interested in radio technique solely with a personal aim and without pecuniary interest licensed by the Federal Communications Commission (FCC). This is not considered Communication Equipment.

**Anemometer** – A device mounted on a tower or pole used to measure wind speeds for non-residential purposes. Devices may also include wireless equipment for the transmission of data generated by the anemometer.

**Animal Husbandry Services** - Facilities, including kennels, related to the care, raising, boarding, and breeding of animals.

**ARS (Arizona Revised Statutes)** - ~~Please contact Community Development to obtain current statute number.~~ The statutory laws in the state of Arizona, sometimes referred to as the "Arizona Code" or "ARS."

**Attached** - A building otherwise complete in itself, which depends, for structural support or complete enclosure, upon a roof or division wall(s) shared in common with adjacent building or buildings.

**Banks and/or Banking Services** - Business offices devoted to the keeping, receiving, lending, and exchange of money and including on-site teller facilities for providing those services to the public. May or may not include the use of drive-up teller windows.
