Good afternoon,

Attached, please find a transmittal for a new Special Use Application. Please have comments back by October 26, 2020.

**Floodplain:**

1. Property located in Zone X. A Floodplain Use Permit is not required.
2. The cumulative effect of the existing development and the proposed development cannot have an adverse impact to drainage that affects this property, or neighboring properties.

**Environmental Health:**

A permitted Septic system will be required for these structures. Applicant may be required to have these 2 units permitted under a lodging permit with Environmental Health Division.
