RFP 21-07-DEV-01

Attachment 2 – Additional Information

Additional Information In conjunction with RFP 21-07-DEV-01:

1. Certified Operator
 - Awarded Contractor must have a certified operator to remove Asbestos and any other hazardous material that may be found on site. Proof of certification must be provided before work on project can begin.

2. Disposal of Tires
 - Tires must be separated from all other trash.
 - Tires must be taken to the Western Regional Landfill located at 2595 N. Sagebrush Rd, Huachuca City, AZ.
 - No permit is required from Cochise County Solid Waste to take the tires to the landfill.
 - Cost is \$64.00 per ton for disposal of tires with no rims.
 - Tires with rims will incur an additional handling fee.

3. Electrical Power Poles
 - Awarded Contractor will be required to work around the existing electrical power poles.
