**COMPANY RESUME**

**HIGHLIGHTS**

- ✓ Proven Project Success
- ✓ 30 years of business in sewer, water and electrical services
- ✓ Over 10 years of experience in directional drilling

**EXPERTISE & HISTORY**

The Rutherford brothers, Michael and Daniel, established RDI as a corporation in 1986. Michael operates as the President and Treasurer for the corporation while Daniel serves as Vice President and Secretary. RDI has long been recognized as an industry leader and is the contractor of choice for area utilities and government entities. Our field work is primarily conducted in Arizona and New Mexico, but reaches into Texas and California.

**SERVICES**

- Underground site utilities
- Water Mains and Water Leak Repairs
- Sewer Lines and Sewer Ponds
- Asphalt and Concrete
- Culverts
- Building pads
- Demolition
- Installation of Fiber Optic
- Aerial Applications for the telephone industry
- Pulling of sleeves under roadways 1” to 21”
- Bore Projects and layering water

**SAFETY**

The safety and health of all RDI employees is of the highest priority and a core value of the company. Our objective is zero workplace injuries and occupational illnesses. We ensure that all employees are properly trained and conduct a weekly safety meeting, as well as toolbox meetings daily.
