Subject: Bisbee Courthouse SES Upgrade

CAUTION: EXTERNAL EMAIL*

Good afternoon Henry,

The budget for the change order to upgrade the SES using the existing feeders is \$36,335. This will get you two extra spaces in the cabinet for future expansion up to what the current feeders and electrical service will support. The proposed HVAC equipment in all likelihood, will use less electricity than the current chiller and associated fan coils so that will free up some capacity but we do not have an exact number or percentage. Feel free to reach out if you have any questions.

Thank you,
