(b) If the PHA answered yes for any element, describe the revisions for each element(s):

No revisions made.

Financial Resources / Operation and Management

The HACC continues to increase voucher lease up for the HCV and HUD-VASH Programs in an effort to address housing needs.

HACC administers voucher-based rental programs in which HCV ACC units is 493 and HUD-VASH is 88. In FY 2020, HACC spent \$3,548,370 for the HCV and HUD-VASH vouchers. HACC is anticipating spending approximately the same amount of \$3.6 million during the 2021 fiscal year. HACC's additional Federal funding sources are Housing Opportunities for Persons With AIDS (HOPWA) in which an estimated \$205,441 is projected for operating and program costs and the Family Self-Sufficiency Program is estimated \$58,420.00. HACC does not receive non-Federal funding.

Housing Needs and Strategy for Addressing Housing Needs

HACC opened a new wait list in January 2021, receiving 1,406 applications. Of the 1,406 applicants, applicants, 169 are elderly and 374 are handicapped/disabled; 23 are high income, 169 are low income, 267 are very low income, and 949 are extremely low income. The ethnicity break down of the waiting list is as follows: 245 Hispanic (also counted as White), 545 White, 645 Black, 33 Indian/Alaskan, 15 Asian, 11 Pacific Islander and 110 Mixed. HACC's jurisdiction covers Cochise and Graham Counties, spanning nearly 11,000 square miles, including Bisbee, Douglas (outside the City of Douglas), Sierra Vista, Hereford, Palominas, Tombstone, Willcox, Benson, Safford, Thatcher, and surrounding areas. Within our county, Bisbee and Tombstone are tourist attractions; Sierra Vista is the home to Fort Huachuca Army Base, and two large Border Patrol stations at the ports of entry in Naco and Agua Prieta, Mexico. Because of this, the rental market is high, making it difficult to find affordable housing. Payment Standards for 2020 are:

Cochise County	Sierra Vista	Graham
0 BR: \$654	\$719	\$649
1BR: \$658	\$724	\$727
2 BR: \$857	\$943	\$853
3 BR: \$1236	\$1236	\$1231
4 BR: \$1505	\$1505	\$1362

Due to the vastness of our county, moving to the very rural areas where housing is more affordable means trading affordable rent for being close to hospitals, grocery stores, pharmacies, public transportation, etc...

Cochise County has some of the oldest housing stock in the West. 58% of the housing in the city of Bisbee was built before 1940 and 91% before 1978. In Douglas and surrounding areas, 21% of the housing was built prior to 1940 and 78% before 1978. Sierra Vista is our largest city with newer homes and units, with more expensive rents and limited affordable housing.

Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.

HACC accepts applications only from families whose head or spouse is at least 18 years of age. To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the PHA. HUD's eligibility. Please see sections 3.0 and 5.0 of attached Administrative Plan.

Rent Determination

HACC will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible immigration status. Please see section 10 of the attached Administrative Plan.

Informal Review and Hearing Procedures

HACC will investigate and respond to complaints by participant families, owners, and the general public. HACC may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible. Please see section 15.0 of the attached Administrative Plan.

Homeownership Programs

Although FSS escrow disbursements have resulted in families purchasing homes, HACC does not administer a homeownership program.

Self Sufficiency Programs and Treatment of Income Changes Resulting from Welfare Program Requirements

HACC encourages self-sufficiency of participant families and assist in expansion of family opportunities which address educational, socio-economic, recreational and other service needs.

Family Self-Sufficiency program (FSS program): Established by HACC to promote self-sufficiency of assisted families, including the coordination of supportive services (42 U.S.C. 1437u).

Substantial Deviation

A change in the use of federal funds for activities that prohibit or redirect HACC's goals or mission of providing safe, decent and sanitary conditions for very low-income families to manage resources effectively. HACC is to promote personal, economic, and social upward mobility to provide families the opportunity to make the transition from subsidized to non-subsidized housing as identified in the 5-Year Plan.

This includes but is not limited to major changes in proposed activities or policies that will affect residents' services or programs.

This does not include changes in the organizational structure or budget revisions that are a result of HUD regulations or minor policy changes.

Significant Amendment/Modification

Changes that are sufficient to rent, admissions policies, or the waiting list that is not required by federal requirements as to a change in the Administrative Plan.

This does not include changes in the organizational structure or budget revisions that are a result of HUD regulations or minor policy changes.
