

Executive Summary Form

Agenda Number: 5742

Recommendation:

Approve IGA-YH16-1118-13 – Amendment 2 for AHCCCS/Administrative Annual Cost Estimate for Cochise County Medicaid Eligible Inmates FFS Project IGA SFY21.

Background (Brief): AHCCCS Billing Expectations

Executive Summary: This is a standard IGA that is renewed every year with the Arizona Health Care Cost Containment System (AHCCCS). When we send individuals, who are incarcerated at the Detention Center to the hospital, we bill AHCCCS for the hospitalization. The IGA clarifies the expectation that we will be compliant with AHCCCS guidelines and that if we submit a claim that is NOT consistent with CMS regulations, it will be denied.

Fiscal Impact & Funding Sources: This IGA is for the purpose of clarifying billing expectations. Funding source is through the Arizona Health Care Cost Containment System.

Next Steps/Action Items/Follow-up: Board of Supervisor and County Attorney approvals needed

Impact of Not Approving: We would not be in compliance with AHCCCS regulations.
