Cochise County Community Development Program

Attention: Peggy Judd

Stronghold Recreational Park Association (SARPA) is seeking funds to improve Evelyn Williams Memorial Park to include an enclosed dog park. We hope that dog owners will use this area to exercise and play with their dogs. We trust that having this designated area for dogs will keep them from roaming our streets and provide a safer alternative.

There will be dog training available free of charge to help guide our dog families to become outstanding community members.

This project is geared towards keeping our dogs safe and our streets safer.

Thank you for your attention

Sincerely Yours,

Anthony Crumly
