Tim Mayclin
Superintendent
Naco School District

Dear Mr. Mayclin,

Thank you for meeting with me and Cochise County Staff today. We agree that the budget for the Naco SRO Program will not exceed \$75,100 annually under School Safety Program FY 2022 Cooperative Agreement.

We will work to assign a sworn Cochise County Sheriff's Office deputy to support this program under the terms and conditions of the grant program. We will work through the logistically and associated human resource issues within sixty (60) days of this letter. All parties understand that Cochise County Sheriff's Office reserves the right to withdraw its participation if we cannot adequately address human resource and applicable county policy issues with respect to this agreement within the aforementioned sixty (60) day period.

We look forward to the prospect of partnering with the Naco School District to make the school and our children safer.

Respectively,
