Bisbee, AZ 85603

Dear Board Members:

I, Celina Ybarra, Finance Manager on behalf of Mark J. Dannels, Sheriff of Cochise County Arizona, hereby present the following interfund transfer request form for your review and approval. The interfund transfer is the county match for the HIDTA and DGVCC (Byrne) grants, the match portion for the county is covered by RICO funds.

HIDTA which is the High Intensity Drug Trafficking Area grant is a federal grant, used to fund one deputy position, assigned to the Drug Enforcement Administration (DEA), who heads the Southeastern Arizona Major Investigative Team (SAMIT). The grant covers salary, ERE, travel, services, and supplies according to the grant agreement. This grant cycle will require a county match to assist with the ERE costs. The grant covers only 15% of ERE costs, the remaining 85% of ERE cost is provided by the county match.

The ACJC DGVCC (Byrne) grant is a Federal (35%), State (40%) and County (25%) match grant and is used to fund overtime and ERE operations for our Narcotics Enforcement Team (NET) Deputies. Other deputies, as well as our K-9 Officers, can be paid from this grant; as long as they are assisting with a Narcotics Detail and approved by the Task Force Commander or Sergeant.

Sincerely,

A handwritten signature in blue ink, appearing to read "Celina Ybarra".
