B-1 - - Reviewer Scores

Reviewer	Score	Reason	Comments
Evaluator #1	5	Medium level of detail in response	I was unable to ascertain from the "Past Performance Listing" if HOPE's previous services included actual client transportation. That seems to be a large part of this proposal, therefore it would be helpful to have a vendor with direct experience in this type of service provision.

Evaluator #2	10	Meets or exceeds my expectations	Has a good list of past performance. I am also happy they are capable of providing services for Arizona Complete Health clients and Banner clients. It seems there are no restrictions to services due to the client's coverage.
Evlauator #3	8	Strongly fits desired attribute(s)	Hope has 25 years experience, implemented the Peer After Care Team since 2015, and has provided Peer Navigators training for those working with justice involved individuals.
Evaluator #4	10	Strongly fits desired attribute(s)	Hope, Inc. has a solid track record for peer related services in the region and southern Arizona. Their previous work certainly seems transferrable for this contract.
