I Alfred N. & Barbara T. Gyalva have lived at 3034 N. County Hospital Road since 1985.

We do not support the request for US Mining Farm LLC to be established on West Oak Avenue, for the following reasons.

The road (Oak Avenue) is not paved & is not meant for heavy traffic. The traffic would only add to tear up the road surface and more dust on dry weather conditions. During rain or monsoon season the road would be rutted more than usual on Oak Avenue, and the tracking of mud would only add more mud to Hospital Road.

Hospital Road has been neglected over the years. No crack or chip seal or rejuvenator oil has been added to the road for more than 5 years.

Trailers have been added to the south end, no proper road or drainage. This is only adding mud to the road after the rains. What hopes do we have in the future for W. Oak Avenue as to the possible new establishment, 2512 W. Oak Avenue. Current owners live right next door at 2585 Oak Avenue for several years now. They have been bringing and storing old refrigerators over the years. The sight has become an eye sore. There has been no removal or clean up. This is only adding

the possibility of HAZMAT now or in the future. If this mining farm was to fail, it would only open up for who knows what.
