Re: US191 and Birch Road / SUP for a Marijuana Cultivation and
Infusion Facility (Case No. SU-20-19)

Dear Mr. Kirschmann,

This firm represents Willcox OC, LLC, the applicant for a Special Use Permit for a Marijuana Cultivation and Infusion Facility proposed at the northwest corner and southwest corner of US191 and Birch Road, near Sunsites in Cochise County, Arizona (the "Property").

The purpose of this letter is to formally request a continuance from the April 14, 2021 Planning and Zoning Commission meeting to the May 12, 2021 Planning and Zoning Commission meeting. This continuance is necessary as we have another Special Use Permit case (Case No. SU-21-000005) in Cochise County that will be at the Board of Supervisors meeting on April 20, 2021. The result of that case will determine if our client will move forward with this case. We would like to opportunity to know the result of that case prior to going before the Planning and Zoning Commission.

Thank you for your attention to this matter and, as always, I appreciate your assistance. Please do not hesitate to contact me at 602-230-0600 or at adam@witheymorris.com if you have any questions or you need additional information.

Very truly yours,

WITHEY MORRIS P.L.C.
