Special Use Docket SU-21-13 (Whetstone W Telecom)

YES, I SUPPORT THIS REQUEST. Please state your reasons:

Technology is advancing so rapidly that we need all the help we can get. I don't see a tower any more intrusive than electric or telephone power poles. It may not be as attractive as cypress trees, but I believe it could be made so if it is allowed to be constructed

Special Use Docket SU-21-13 (Whetstone W Telecom)

YES, I SUPPORT THIS REQUEST. Please state your reasons:

In Whetstone, we don't have delivery because we are too far from Sierra Vista. Having a good service for a reliable internet will be so much better. Most the time our internet is down or it is so slow. Before, you were able to get on the phone for any problems. Now this is a laugh. You are put on hold or they transfer you to so many other helpers. Internet being faster and more reliable would help. Thank you.
