NO, I DO NOT SUPPORT THIS REQUEST. Please state your reasons:

This request may be fair to Mr. Julovich, but what about the rest of us? If we ever want to go to Easy Acres and pitch a tent, we would be unable to. This amendment would allow only one in four of the property owners to use it. When the subdivision is ready for development, that's not a good percentage who can take advantage of their land. This proposal is short-sighted. If, as I have heard, this is to expel squatters, deal with them. Don't punish property owners.
