Attachment 2 – Scope of Work

In accordance with 22-06-FAC-01 the Contractor shall provide all labor, materials, transportation and expertise in order to accomplish Landscaping Services to the satisfaction of the County. The Contractor shall complete the following tasks:

Task 1 – Weed Control- The Vendor can choose how to control and eliminate weeds. Methods can be: pulled, chopped with a hoe or shovel, use of a motorized weed eater, or killed with a herbicide.

Note- If a herbicide is used, dead weeds still need to be cut and removed.

Task 2 – Pruning- Trees, bushes, and shrubs to be pruned. Special attention needs to be paid to any branches that are hanging over sidewalks and put people at risk of being cut or scratched.

Task 3 – Refuge/Litter Pick up- Pick up of any refuge, litter debris, plant debris that is located on sidewalks or in the landscape areas.

Task 4 - Hauling- All pruned branches, leaves, weeds, or debris that is gathered needs to be hauled away.

Task 5- Leaf Clean up- Raked or swept and hauled away. Raked from grass areas, swept off from steps and walkways.

Task 6- Special Projects- These will be on a case-by-case basis and pricing will be provided as the projects are identified.

Requirement to attend site visit.
