

Healthy Arizona Worksites Program

Cochise County

About HAWP

- Offered through Arizona Department of Health Services since 2012
- Strives to improve the health and well-being of all Arizona workers and workplaces
- Offers employers and employee wellness professionals training, tools and step-by-step resources
- All at no cost

Cochise County and HAWP

- Cochise County has participated since 2016
- Health and wellness resources offered to our employees:
 - wellness screenings for multiple health conditions
 - health education
 - mental health resources
 - fitness and nutrition resources
 - lactation support
 - workplace safety
- Health Department hosts multiple HAWP webinars per year

Platinum Award in 2022!

-
- Application completed in collaboration between Human Resources and Health Department
 - Cochise County received Gold award 2016 to 2018 and Platinum award 2019 to 2022
 - Platinum award requires health and wellness resources for employees and a project that positively impacts community health
 - Our project is Volunteer Cochise, implemented in 2018

Positive Impact

- Healthy and productive employees
- Community involvement
- Wellness opportunities impact our premiums
- Lactation policy

Thank you!
