FOR PROPOSED GARAGE

Variance is defined in the Cochise County Zoning Regulations as a deviation from the terms of the Cochise County Zoning Regulations when, owing to peculiar conditions, a strict interpretation would work an unnecessary hardship, if in granting such Variance the general intent and purposes of the Zoning Regulations will be preserved.

The Zoning Regulations are generally intended to yield results that are in compliance with all other applicable laws. A request for a "reasonable accommodation" in these regulations, pursuant to any Federal or State housing law or other similar legislation, as may be necessary to afford an equal opportunity to housing under any such law, shall be considered to be an appropriate condition for a Variance from the strict application of these Zoning Regulations. Adjustment is authorized to grant any such variance, to the extent that any such accommodation is required pursuant to any applicable State or Federal law.

It shall be the responsibility of the Applicant to submit any studies and/or data necessary to demonstrate the effectiveness of the alternative conditions. Any decision of the Board of Adjustment allowing a variance shall be considered for revocation by the Board of Adjustment if substantial construction, in accordance with the plans for which such Variance was granted, has not been initiated within 12-months of the date of approval, building permit issuance, or if judicial proceeding to review the Board of Adjustment's decision has been instituted, 12-months from the date of entry of the final order in such proceedings, including appeals. Additionally, if any of the conditions of the Variance approval are not complied with within 12-months or within the time period set by the Board, it shall be revoked after 30-calendar days' notice to the owner and Applicant, unless a request for a review hearing before the Board of Adjustment is made by the Applicant within this 30-calendar day appeal period. The Board of Adjustment may grant reasonable extensions to the time limits upon a hearing pursuant to a timely written request by the Applicant.

Appeal procedures: Any person aggrieved by a decision of the Board of Adjustment may at any time within 30-calendar days of such decision appeal to the Superior Court, and the matter shall be heard in like manner as appeals from courts of justices of the peace.

To qualify for a variance, the property must demonstrate that owing to peculiar conditions, a strict interpretation would work an unnecessary hardship and if in granting the variance the general intent and purposes of the zoning ordinance will be preserved.

What is the reason for this request (select one):

There is a special circumstance associated with my property - such as its size, shape, topography, location, or surroundings - that deprives the property of privileges enjoyed by other property of the same classification in the same zoning district.

I wish to appeal the interpretation of a zoning regulation, by the zoning administrator or other County official (please submit an "Appeal to the Board of Adjustment Application").

N/A SEE BELOW

Describe how this request brings you to parity with property owners within your zoning district and does not provide an advantage or special privilege over and beyond what is provided to other lots in the same zoning designation.

SIMILAR VARIANCE WAS GRANTED TO NEIGHBOR TO THE SOUTH
(APN 105-99-312)

It is the responsibility of the applicant to submit any studies and/or data necessary to demonstrate the effectiveness of the alternative conditions. Generally, the variance, if granted, should be the minimum variance that will afford relief and it should provide the least possible modification of the zoning regulations provisions that are in question. State any potential impacts caused by the application of your variance and how you intend to minimize these impacts on neighboring properties.
