Dear Board of Supervisors:

Eastern Arizona College has undergone an organizational change, shifting workforce responsibilities to Mr. Kevin Peck, who is now serving as Dean of Business, Computers, and ITE.

As a result of this change, I would like to nominate Mr. Peck to serve as EAC's representative to serve on the Arizona@Work Local Workforce Development Board. Kevin has credentials in both private industry and within the College, having served as the director of EAC's Small Business Development Center prior to his appointment as dean.

He brings a wealth of local business knowledge to his position, as well as an understanding of how higher education and local industry can work together to strengthen our communities.

Please accept my nomination of Mr. Kevin Peck. I am confident he will be a tremendous asset to the great work you do.

Sincerely,

Todd Haynie
President
