

Technical Proposal Plan for Cochise County Ballistic Board Installation Project.

1. Project is to install Ballistic Board under each of 6 Superior Judges Desks:
COCHISE COURTS - LEVEL-4 BULLETPROOF DESK PROTECTION UNDER JUDGES DESK- S.V.
SUPERIOR COURT JUDGES DESKS (2)- BISBEE MAIN SUPERIOR COURT JUDGES DESKS (3) -
AND ADMIN COURT BUILDING JUDGES DESK (1)
2. On Approved agreement of project PrevenTronics shall order materials.
3. Once material is received PrevenTronics shall prep material for installation and communicate with Cochise Court on the installation schedule.
4. Once we have approved the schedule for each court room Preventronics shall occupy the desk area of the room and prep the area for installation. PrevenTronics shall remove all materials to gain access to the underside of the desk walls.
5. Once the area is clear we will attach the Ballistic board to the desk area and will cut around any and all power outlets and network outlets.
6. Once Complete install of Ballistic board under said desk, PrevenTronics will replace all materials removes from desk area and clean area.
7. Upon Completion of work in this room PrevenTronics shall move to next install location until project completion.
