I own one acre parcel#2051201000 at Sun Sites subdivision in Cochise County, AZ I disagree with AEPCO special request for 85 feet Natural Gas Turbines. Currently there electrical powerlines 50 feet from our property; to the North, South, East are Solar Panels surrounding subdivision; including a AEPCO large electrical plant (approximately 150 foot tall) We disagree for AEPCO request for more utility equipment near Sun Sites Subdivision.
