Public Hearings - Public Comment Form

Docket Number	VAR24-04 (Relative Setback)
Select one of the following:	No, I do not support this request
Explanation	This is a 2-acre property. There is good reason for the 20-foot setback requirement on properties this size. There has been no good reason identified to reduce the setback by a full 15 feet on the west boundary. This is zoned R-36 and I note the setback requirements are also 20 feet for R-18. These requirements serve to ensure the character of medium density zoning.
