Re: Proposal for a Used Mid-Carriage Striper Truck, EZ Liner Model TS-AL300, Request for Price Quotation (RFPQ) 24-30-FLT-01

Anne Coppola (Contracts Administrator),

Thank you for the opportunity to submit a proposal in response to your Request for Price Quotation (RFPQ) 24-30-FLT-01 for the purchase of a USED EZ Liner Model TS-AL300 paint striping body mounted on a UD3300 chassis.

Pricing is good for 45 days. After that date the pricing will need to be reviewed. Any applicable federal, state, and local taxes, duties, fees, licenses, and other government charges in connection with this agreement are not included in pricing and are the responsibility of the customer.

The estimated delivery date on the County's Model TS-AL300 used paint truck is July 15, 2024, pending availability of the chassis powertrain parts required to replace the UD GH7 chassis engine and any other possible repairs required prior to availability to the County. Where the delivery of materials is delayed beyond the control of EZ Liner, EZ Liner shall not be liable for any additional costs or damages associated with such delays.

EZ Liner offers a 30-day warranty on used equipment delivered under this Contract and warrants the unit shall conform to the specifications as published.

If you have questions on EZ Liner's proposal, please give Mike Petersen, Territory Sales Manager, a call at 712-360-2108. EZ Liner looks forward to working with Cochise County once again by providing quality paint striping equipment supported by superior customer service!

Respectfully submitted,
EZ LINER
