### **Background (Brief):**

The original Overdose Prevention Contract with ADHS was approved February 2023. ### **Fiscal Impact & Funding Sources:**

This is a grant-funded cost reimbursement IGA through ADHS in the amount of \$247,270. Funds are a combination of federal and state funding. This IGA currently funds 2.45 FTEs.

**Next Steps/Action Items Follow-Up:** Your approvals are respectfully requested. Send signed IGA to CCHSS, Suzanne Hagle, Prevention Services Division Director.

### **Impact of Not Approving:**

Not approving this grant amendment would eliminate the ability to provide prevention-based strategies around opioid use disorder linkages to care services and the Overdose Fatality Review committee program.
