Notes:

This quote is provided to the company listed above ("Customer") by Flashpoint, in order to provide those listed products and/or associated services (collectively, "Flashpoint Services"), at the prices set forth herein.

The terms and conditions governing customer's use of the Flashpoint Services will be as set forth in the corresponding standard Flashpoint legal agreement between Flashpoint and Customer. In addition, any nondisclosure agreement (NDA) previously entered into between the parties, as applicable, will also govern this quote.

This quote supersedes any prior quote between the parties for the same Products and Services described in this document. No separate purchase orders for the Flashpoint Services will be binding on Flashpoint unless Flashpoint agrees in writing to be bound to the terms of any such purchase order(s). In addition, any and all terms inconsistent with, or in addition to, those stated herein, and/or which may appear on Customer's purchase order will not be binding on Flashpoint, and Flashpoint's failure to object to any such terms shall not constitute acceptance of any of Customer's inconsistent and/or additional terms, and will not constitute a waiver of Flashpoint's terms set forth herein.

All fees and any related expenses, together with all payment terms for the Flashpoint Services, will be as set forth in the applicable Order and/or Statement of Work document(s). All Fees quoted exclude applicable taxes, which will be the responsibility of Customer (other than taxes based on Flashpoint's net income). This Quote also excludes reasonable out-of-pocket expenses incurred by Flashpoint in the performance of the Subscription Services and/or Professional Services, which will be Customer's responsibility, as set forth in the corresponding Order and/or Statement of Work, if applicable.
