APPENDIX A

ARIZONA COURTS INVENTORY AND PROPERTY CONTROL POLICY

The purpose of this section is to set forth minimum procedures and guidelines for fixed assets (furniture and equipment) owned by the Judicial Department Unit (JDU) other than the Supreme Court.

It is the intent of this policy that all equipment items are accounted for under an inventory system. Each court, including its probation departments, must be able to account for all equipment regardless of the funding source used to purchase the equipment.

DEFINITIONS

Capital fixed asset means any fixed asset with a purchase price of \$5,000 or more and a usable life of one or more years. These fixed assets will also be recorded and tracked in the State Accounting System (USAS).

Non-capital equipment means any fixed asset with a purchase price of \$2,000 to \$4,999 and usable life of one or more years.

Judicial Department Unit (JDU) is any operating unit, office, or court of the Arizona Judicial Department reporting to the Chief Justice; chief judges of the Court of Appeals; presiding judges of the superior court, justice courts, and municipal courts; clerks of court; staff attorneys; divisions of the Administrative Office of the Courts; court administrators; and probation departments, with responsibility for reporting, care, and custody of the fixed asset.

Local Governmental Unit (LGU) is any county, city, or school district, and with other state agencies with responsibility for reporting, care, and custody of the fixed asset.

POLICY

1. GENERAL

This policy covers any equipment valued over \$2,000 purchased from state, federal, or other funds provided through the AOC. All acquisitions of equipment using Supreme Court funds will be documented in an agreement.

If the AOC provides the funding and the JDU/LGU purchases the equipment, a funding agreement will be signed that clearly delineates the JDU/LGU owns the equipment. The JDU/LGU will record transactions in its fixed asset tracking system. The inventory policy is part of the funding agreement.

If the AOC purchases the equipment and transfers ownership of the asset, the JDU/LGU will record transactions in its fixed asset tracking system. The inventory policy is part of the equipment grant agreement.

The JDU/LGU shall maintain written inventory and property control policies and procedures.

All equipment included under this policy shall be clearly identified and located for purposes of regular physical inventory.

The JDU/LGU shall maintain an inventory log as described in the record keeping section of this policy.

2. TAGGING/NUMBERING SYSTEM

For items that the Supreme Court purchases and maintains ownership of, the Supreme Court will issue tags and require tagging of the equipment. For all other items, the JDU/LGU shall maintain a tagging/numbering system.

3. RECORD KEEPING

The inventory and property control person shall establish accurate records for all equipment under this policy. These records for capital and noncapital equipment shall, at a minimum, indicate:

- Acquisition date
- A brief description of the item
- Current location (code or suitable alternative)
- Program funding source
- Tag or asset number
- Model and serial number
- Purchase document number (claim/voucher)
- Original cost including shipping, taxes, and installation

The inventory control records shall be maintained in such a fashion as to permit ready access and review.

4. INVENTORY SCHEDULE

All JDU/LGU's shall conduct an annual physical inventory of fixed assets in a manner prescribed by the AOC Financial Office. The Information Technology Division shall conduct an annual physical inventory of all computer equipment. The AOC Financial Office will submit an annual inventory report to the Department of Administration, General Accounting Office.

5. TRANSFER OF EQUIPMENT

Equipment must be used for the approved purpose for five years unless written permission is given by the AOC. After five years, the equipment may be transferred upon approval of the presiding judge of the court.

6. SURPLUS PROPERTY

Equipment which is no longer needed or usable shall be placed in surplus in accordance with the following:
For equipment for which title was granted to the JDU/LGU, the JDU/LGU shall follow any procedures required by the original funding agreement. If no such requirements are included in the funding agreement, then local surplus property procedures may be utilized.

7. MODIFICATION TO THIS POLICY

The Arizona Supreme Court, AOC, reserves the right to modify this policy as needed.

ARIZONA CODE OF JUDICIAL ADMINISTRATION

Part 5: Court Operations

Chapter 1: Funding

Section 5-105: Public Defender Training

A. Definitions.

“Fiscal year” means the period of time from July 1 through June 30.

“Felony cases assigned” means those cases specifically assigned to the office of the public defender that were felonies at the time of filing. This does not include cases in process during the same period, which may have been assigned in a preceding time period. This also does not include juvenile cases, appeals, probation revocations, mental health cases or any other non-felony case types.

B. Purpose. Pursuant to A.R.S. § 12-117, the public defender training fund (PDTF) provides monies for the purpose of training county public defenders. The supreme court administers the fund. This section establishes requirements for the administration and distribution of the monies in the fund.

C. Administration.

1. The administrative director shall administer PDTF. The administrative director, or designee, may establish policies, procedures, forms and reports necessary to ensure compliance with these requirements.
2. The administrative director is authorized to use PDTF monies for fund administration. Administrative costs may include, but are not limited to, full or part-time staff, pool costs, operating expenses, publication of an annual report, equipment, training, travel and evaluation or audits.
3. The administrative director shall allocate and distribute monies to each office of the public defender, is authorized to inspect, audit or have audited records of any office of the public defender receiving program funds, and shall provide formats for necessary reporting to all offices of the public defender receiving funds.

Funds shall not be allocated to contract public defenders, court-appointed counsel or other defense counsel not appointed under the provisions of A.R.S. § 11-581.
2. **Manner of Allocation.** The administrative director shall allocate funds to each office of the public defender proportionally, based on the number of felony cases assigned to that office in the preceding fiscal year. Any public defender office operating for a period less than the full preceding fiscal year shall receive a pro-rated portion of the fund based on

the number of annualized cases. The administrative director will annually adjust the formula used for proportional allocation to accurately reflect the cases assigned to each office in the previous fiscal year.

3. Disbursement and Accounting. The administrative director shall disburse funds to individual county offices of the public defender on a quarterly basis in accordance with an annual funding agreement. Funds shall be deposited into a special revenue fund with the county treasurer. Interest collected on the funds shall be credited to the fund.
4. Public defender responsibilities. County offices of the public defender shall be responsible for handling all receiving, accounting, disbursement and expenditures in accordance with county financial policies. County policies relating to travel, per diem or other compensation or reimbursement standards shall apply to these funds.

E. Fund Usage.

1. All training supported by these funds must be directly related to the practice of criminal law, other duties assigned to the public defender by A.R.S. §11-584 or the enhancement of staff's ability to perform their roles and responsibilities as agents of the public defender. Funds may be used for nationally recognized training on specialty areas of law or activities relevant to more effective representation (i.e., evidentiary matters, forensic specialists, etc.).
2. Funds shall be used predominantly for public defender's attorney training, however funds may also be used for training of investigators, support staff and other office personnel when the training is relevant to the responsibilities of the office of the public defender and enhances a recipient's ability to effectively fulfill the responsibilities of the position.
3. Funds may be expended for salaries and related expenses for training and support personnel if the role and duties of the positions directly relate to the coordination of training activities for the office of the public defender.
4. Fund expenditures may include reasonable costs for travel, accommodations, break refreshments, meeting space, facilities and materials related to the training.

Prosecutors and judges may attend without cost if a reciprocal training agreement is executed for training that is or will be available. Private attorneys and other interested persons shall be required to pay a reasonable, but no less than proportionate, cost for attendance at PDTF seminars and training events.

The report shall be provided in a format approved by the administrative director and shall include documentation of all financial receipts and expenditures from the training fund as required by law.
2. Each office of the public defender that has received funds shall retain all records and receipts for revenues and expenditures for a period of five years following the end of the fiscal year to which the records and receipts pertain.

H. Compliance. The administrative director may impose additional requirements and withhold future PDTF allocations to achieve compliance with funding agreements related to this fund.

Adopted by Administrative Order 2006-95, effective November 1, 2006.
