NARRATIVE

15 June 2024

To: Ak-Chin Indian Community
c/o Council Secretary
42507 W Peters and Nall Rd.
Maricopa, AZ 85138

SUBJECT: PALOMINAS FIRE DISTRICT – NARRATIVE FOR 2024 Prop 202 – 12% GRANT APPLICATION

A. Purpose of Grant

1. To purchase one chest compression device which will improve cardiopulmonary resuscitation (CPR) **quality** and increase EMT/Paramedic **safety** by avoiding fatigue over long duration, and **reduce transport risks** by allowing EMT/Paramedics to sit belted while traveling to the hospital vice having to stand in a fast moving vehicle in order to administer manual chest compressions.
2. The target population to be served by this purchase is located in Southern Arizona (Palominas, Hereford, Bisbee and districts with whom we have mutual aid agreements (all of Cochise county) and automatic aid agreement (Fry Fire in Sierra Vista). Those who will benefit will be all cardiac arrest patients in our care.
3. Project Goals and Objectives:

Our Objective: To improve the quality of our cardiopulmonary resuscitation (CPR) for cardiac arrest patients and to increase the safety of our EMTs/Paramedics who are caring for the patients by their avoiding fatigue over a long duration of administering CPR manually, and also to reduce transport risks by allowing the EMTs/Paramedics to sit belted while traveling to the hospital.

Goals:

- (1) To be awarded grant funding to purchase a chest compression device in January of 2025
- 2) To purchase one chest compression device in the first quarter of 2025

SUBJECT: PALOMINAS FIRE DISTRICT – NARRATIVE FOR 2024 Prop 202 – 12% GRANT APPLICATION

(3) To train all necessary personnel in the proper use of the device by the end of first quarter 2025

(4) To put into service the chest compression device by the end of 2nd quarter 2025, if not sooner

4. Timetable for Implementation of Project:

Jan – March 2025 Be awarded and receive grant funds; purchase chest compression device

Apr – June 2025 Have all necessary personnel trained in proper use of the device

June 2025 Put device into service, as needed

B. Resources

1. Our current funding source for this project is \$7,043 one-time-funding from our Operating Budget (equipment) which could pay for the hard shell kit with accessories (back plate, patient straps, stabilization strap, suction cups, rechargeable battery), sales tax, and shipping. We would need \$22,987 for the chest compression device itself.
2. Other organizations which would be using this equipment are ambulance companies from Sierra Vista and Fry Fire . They would continue to use our chest compression device to maintain CPR compressions without interruption. They would loan us their device in case of further cardiac emergencies that we might respond to while they are transporting the current patient to the hospital.
3. This will be a new purchase but a continuance of CPR capability without doing manual compressions. The device will be maintained at first by the equipment warranty, and thereafter, as necessary, by funds in our maintenance budget.
4. We have made no funding requests from any other Arizona tribe, neither during the past 18 months nor the last 5 years.

C. Reports

Grant funding would be tracked and documented by our Admin Assistant, Brittany Archer, who will prepare purchase orders, track documents, and prepare expenditure reports as required.

D. Budget

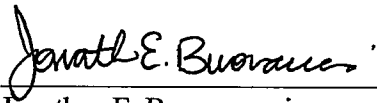

Purchase of chest compression device	\$22,987 (grant award)
Accessory kit	\$5,157 (our budget)
Tax	\$ 1,517 (our budget)
Shipping	<u>\$ 369 (our budget)</u>
Total	\$30,030

For estimated timeline for when funds will be expended, see paragraph A.4 above.

E. Additional Information (attached)

1. Palominas Fire District's completed Grant Application Cover Sheet
2. Written narrative using the Community Application outline structure
3. Budget justifying the amount requested (see paragraph D above)
4. Copy of document titled "Cochise County Special Districts -updated 4/2024" submitted as proof of tax status for Palominas Fire District
5. Resolution of support from Cochise County fiscal agent
6. Price Quotation from Stryker

To Whom It May Concern:

RE: Cochise County as a Pass-Through Agent

Please consider this letter an acknowledgement that should Palominas Fire District's proposal be awarded, Cochise County will accept the funds and enter into an IGA with the entity to accept funding on their behalf.

We have successfully done this previously with other Special Districts in Cochise County when they were fortunate enough to receive generous contributions to their programs.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Sharon Gilman".
