 Bisbee, Arizona 85603

**Special Use Application**

Special Uses are activities or uses that, because of their unique characteristics, potentially could generate greater impacts than uses permitted in a zoning district. Due to these greater impacts, special uses are not granted administratively. Rather, they must be reviewed and approved by the Planning and Zoning Commission at a public hearing.

Applicant Info	
Name:	YADIRA YON, Robert YON
Address:	1465 S. ENGLER AVE YUMA AZ 85365
Phone:	928 550 2147
Email:	yadirayuma@yahoo.com

Identify the utility company/service provider for each of the following services and state if additional provisions or future connections are required in the space below.

Service	Utility Company/Service Provider
Water/Well	Well, LOCAL
Sewer/Septic*	
Electricity	
Fire Protection	
Waste Disposal	

\* If the property is, or will be, served by a septic system, indicate the location of the septic system and the 100% expansion area on the site plan. State whether the system is existing or proposed.

Is this request consistent with all deed restrictions or private covenants in effect for this property? If applicable, please include a copy of these restrictions/covenants with this application.

- Yes     
  No     
  N/A, no deed restrictions

Supplemental Questions

1. Please state the reason for this request and why it should be supported.

We are a large husband and wife family with 6 children. Our mother in law also lives with us and we would like to give her the existing Principal dwelling as her own home for an ALQ, while we bring in a New 3200 sq. ft. Manufactured home for our growing family so we can still care for our elderly, single mother in law near us.

2. Describe all existing structures/uses present on the subject property. Note: Show the location and size of existing structures on the accompanying site plan.

Current Main Residence is 60x30 4 bedroom mobile home  
Tool shed is 16x16.  
Both structures are on site plan.

3. Describe all proposed structures/uses that will be placed on the property. Note: Show the location and size of proposed structures on the accompanying site plan.

The existing Principal dwelling will be replaced by a new Principal dwelling.  
Existing will become the new ALQ.  
The New ALQ exceeds maximum 1000 sq ft. by 600 sq ft. Estimated sq. ft of existing Residence is under 1600 sq. ft.

4. What materials will be used to construct the new building(s)? (Note, for an existing building(s), please also list the construction type(s), i.e., factory-built building, wood, block, metal).

This new home is a factory built manufactured home. Mostly wood with steel supports.

5. Will the project be constructed/completed within one year or phased?

One year

Phased

Less than 1 year.

**Supplemental Questions Continued**

5.a. If this is a phased project, describe the phases here and physically depict them on the site plan.

N/A

6. Describe all intermediate and final products/services that will be produced/offered/sold, if applicable.

N/A

7. What are the days of the week and hours of operation (if applicable)?

N/A

8. What are the number of employees expected to work onsite?

Initially: N/A

Future:

9. Describe the permanent legal access to the property. State which streets or easement will be used by traffic to enter or exit the property. Specify whether the vehicular access is from a public road, private road, or easement, and label all legal access on the concept plan.

Grasshopper Lane, all existing. Nothing New.

10. What impact will this have on the traffic volume of roads that serve the subject property?

N/A

10.a. Number of passenger vehicles entering and leaving the site (per day/week)?

N/A

10.b. Number of large trucks entering and leaving the site (per day/week)?

N/A

**Supplemental Questions Continued**

10.c. At what time of day, day of week, and season (if applicable) will traffic be the heaviest?

N/A

11. How many driveway cuts are proposed along streets or easements to allow site access? State whether this is an increase/decrease and whether any existing cuts will need relocation.

N/A

12. What is your water source? If your property is served by a well, show the existing or proposed location of the well on the site plan. State whether the well is private or shared (if applicable).

N/A Well already there, see site plan.

13. Total gallons of water needed for the proposed use, either daily or annually:

14. List any strategies you will use on site to minimize water use, recycle water, and/or enhance onsite natural recharge.

N/A

15. Describe your citizen review process. Specifically, state whether you received any responses to your mailed notice or public meeting. Explain how your special use application has incorporated the feedback you received. Upload a copy of the mailed notice to the portal.

Notices by mail to near by neighbors.

**Supplemental Questions Continued**

15.a. Date of mailing by applicant: March 29<sup>th</sup> 2024

15.b. Mailing radius: 11 homes

16. Describe any outdoor activity associated with your special use proposal, if applicable.

N/A

17. Will outdoor storage of equipment, materials or products be needed? If yes, show the location on the site plan. Describe any measures to be taken to screen this storage from neighboring properties.

N/A

18. Will any noise or vibrations be produced that can be heard or felt on neighboring properties on a regular basis? if yes; describe the level and duration of this noise. What measures are you proposing to prevent this noise from being heard on neighboring properties?

N/A

19. Will odors be created? If yes, what measures will be taken to prevent these odors from escaping onto neighboring properties?

N/A

**Supplemental Questions Continued**

20. Will any on-site activities attract pests, such as flies or mice? If yes, what measures will be taken to mitigate/discourage their presence?

N/A

21. Will additional dust be created on a regular basis? If yes, what measures will be taken to prevent this dust from escaping onto neighboring properties or roadways?

N/A

22. Do you anticipate the use of any hazardous or dangerous materials? If yes, please complete a "Hazardous or Polluting Materials Attachment" and attach it to this application.

Yes

No

N/A

23. Do you anticipate the need to clear more than one acre of vegetation? If so, describe the proposed dust and erosion control measures to be used and show their approximate location on site plan, if appropriate. Also, indicate if any drainage pattern alterations are proposed or necessary.

N/A

**Acknowledgments**

By typing their name below, the applicant certifies that all information in this application, on the site plan, and within any supplemental documents is true and accurate. They understand that if any information is false, it may be grounds for revocation of this permit. In addition, they hereby request all inspections necessary to process this application, and if the permit is issued, they request all inspections necessary to monitor progress, and document completion, at all stages of the work related to this permit.

5890 S grasshopper Ln.

Hereford AZ

Hello, Neighbor!

I am writing from 5890 Grasshopper Lane, Hereford AZ. I wanted to introduce ourselves and let you know that we are planning to convert the principal home, that is already on the property, to an additional living quarter (ALQ), and bring in a new home that will serve as the new principal dwelling, per Cochise County regulations and courtesy.

Once approved, the work should take less than 1 week. My target dates are this coming summer June/July 2024 after county approval. We do not anticipate that any contractors will disrupt any of the community residents. We anticipate that there will be minimal dust, sanding, or loud noises.

Our family is extremely excited about our new principal home addition and what the future holds for us in Hereford AZ. Please feel free to reach out to us if you have any concerns about these plans. You can reach me at 928-550-2147 by cell phone or by email at [yadirayuma@yahoo.com](mailto:yadirayuma@yahoo.com).

Kind regards,

Yadira and Robert Yon
