Special Use Application

Special Uses are activities or uses that, because of their unique characteristics, potentially could generate greater impacts than uses permitted in a zoning district. Due to these greater impacts, special uses are not granted administratively. Rather, they must be reviewed and approved by the Planning and Zoning Commission at a public hearing.

Applicant Info

Name: Stephanie and Elroy Kline

Address: 3377 S Moson Road

Phone: 480-450-2757

Email: kline0410@gmail.com

Describe your relationship to this application (select one):

Property owner (skip next question)

Authorized agent

By typing their name below, the undersigned, registered property owner of the property subject to this application, hereby grants the authorized agent noted above to act on their behalf and take all actions necessary for the processing, issuance and acceptance of this permit or application.

Signature: Stephanie and Elroy Kline

Date: 06/27/2024

Property Info

Property Owner Name(s): Stephanie and Elroy Kline

Parcel Number (APN): 10760009B

Property Size (in acreage or square feet): 4.62 acres

Project Info

Identify the utility company/service provider for each of the following services and state if additional provisions or future connections are required in the space below.

Service	Utility Company/Service Provider
Water/Well	Private/existing well installed March 2024
Sewer/Septic*	Existing septic 1250 gallons 28 fixtures installed 2019
Electricity	SSVEC 200 amp panel, additional drop to be installed
Fire Protection	fire alarms, fire extinguisher
Waste Disposal	bi-weekly transfer station drop offs

* If the property is, or will be, served by a septic system, indicate the location of the septic system and the 100% expansion area on the site plan. State whether the system is existing or proposed.

Is this request consistent with all deed restrictions or private covenants in effect for this property? If applicable, please include a copy of these restrictions/covenants with this application.

Yes

No

N/A, no deed restrictions

Supplemental Questions

1. Please state the reason for this request and why it should be supported.

We would like to have my mother/mother-in-law live on our land, in a 1172 square foot new manufactured home. She is recently widowed, and struggles with her own health issues, thus requiring assistance for some daily tasks. This will allow for her independence along with oversight and additional help as needed. We plan to remove an existing 800 square foot single wide home and replace with the new larger one.

2. Describe all **existing** structures/uses present on the subject property. Note: Show the location and size of existing structures on the accompanying site plan.

Main living quarters: 2123 square feet
Storage Shed: 200 square feet

3. Describe all **proposed** structures/uses that will be placed on the property. Note: Show the location and size of proposed structures on the accompanying site plan.

Auxillary Living Quarter: 1172 square feet

4. What materials will be used to construct the new building(s)? (Note, for an existing building(s), please also list the construction type(s), i.e., factory-built building, wood, block, metal).

Factory-built building

5. Will the project be constructed/completed within one year or phased?

One year

Phased

Supplemental Questions Continued

5.a. If this is a phased project, describe the phases here and physically depict them on the site plan.

n/a

6. Describe all intermediate and final products/services that will be produced/offered/sold, if applicable.

n/a

7. What are the days of the week and hours of operation (if applicable)?

n/a

8. What are the number of employees expected to work onsite?

Initially: n/a

Future: n/a

9. Describe the permanent legal access to the property. State which streets or easement will be used by traffic to enter or exit the property. Specify whether the vehicular access is from a public road, private road, or easement, and label all legal access on the concept plan.

3377 S Moson Road; access from Moson road.

10. What impact will this have on the traffic volume of roads that serve the subject property?

none

10.a. Number of passenger vehicles entering and leaving the site (per day/week)?
1

10.b. Number of large trucks entering and leaving the site (per day/week)?
0

Supplemental Questions Continued

10.c. At what time of day, day of week, and season (if applicable) will traffic be the heaviest?

n/a

11. How many driveway cuts are proposed along streets or easements to allow site access? State whether this is an increase/decrease and whether any existing cuts will need relocation.

none

12. What is your water source? If your property is served by a well, show the existing or proposed location of the well on the site plan. State whether the well is private or shared (if applicable).

Private well.

13. Total gallons of water needed for the proposed use, either daily or annually: 80 gallons/day

14. List any strategies you will use on site to minimize water use, recycle water, and/or enhance onsite natural recharge.

Use water drainage for plants.

15. Describe your citizen review process. Specifically, state whether you received any responses to your mailed notice or public meeting. Explain how your special use application has incorporated the feedback you received. Upload a copy of the mailed notice to the portal.

We have not received any responses back from the letters we mailed out. We started this process by meeting with Matthew Taylor for a pre-permit meeting, recieved process instructions.

Supplemental Questions Continued

15.a. Date of mailing by applicant: 06/24/2024

15.b. Mailing radius: 300 feet

16. Describe any outdoor activity associated with your special use proposal, if applicable.

Delivery of home, set of home.

17. Will outdoor storage of equipment, materials or products be needed? If yes, show the location on the site plan. Describe any measures to be taken to screen this storage from neighboring properties.

no

18. Will any noise or vibrations be produced that can be heard or felt on neighboring properties on a regular basis? if yes; describe the level and duration of this noise. What measures are you proposing to prevent this noise from being heard on neighboring properties?

no

19. Will odors be created? If yes, what measures will be taken to prevent these odors from escaping onto neighboring properties?

no

Supplemental Questions Continued

20. Will any on-site activities attract pests, such as flies or mice? If yes, what measures will be taken to mitigate/discourage their presence?

no

21. Will additional dust be created on a regular basis? If yes, what measures will be taken to prevent this dust from escaping onto neighboring properties or roadways?

no

22. Do you anticipate the use of any hazardous or dangerous materials? If yes, please complete a "Hazardous or Polluting Materials Attachment" and attach it to this application.

Yes

No

23. Do you anticipate the need to clear more than one acre of vegetation? If so, describe the proposed dust and erosion control measures to be used and show their approximate location on site plan, if appropriate. Also, indicate if any drainage pattern alterations are proposed or necessary.

no

Acknowledgments

By typing their name below, the applicant certifies that all information in this application, on the site plan, and within any supplemental documents is true and accurate. They understand that if any information is false, it may be grounds for revocation of this permit. In addition, they hereby request all inspections necessary to process this application, and if the permit is issued, they request all inspections necessary to monitor progress, and document completion, at all stages of the work related to this permit.
