Public Hearings - Public Comment Form

Docket Number	SU24-17 (San Juan Ave Dog Rescue/Sanctuary)
Select one of the following:	No, I do not support this request
Explanation	While I understand the importance of providing care for animals, the reality is that the presence of numerous dogs in close proximity to residential areas has been extremely disruptive and poses a significant risk to my family's safety. Firstly, the noise from the constant barking is a major issue. The dogs are far too noisy, and their frequent barking disturbs the peace of the neighborhood. Secondly, the dogs have gotten out multiple times, which is not only a nuisance but also a danger to my family. I have two 4 year old children who play outside. Having loose dogs in the area is a serious concern. I have seen these dogs in my yard on multiple occasions, which makes me worried for my children's safety. These loose dogs have already caused harm. A dog attacked and killed one of my chickens. This incident has heightened my concerns about the potential for further harm to my family and pets.
