*We Steven & Seanna Rojas oppose of the rezoning of docket # RZ24-19 (Primrose St). We do NOT agree to rezoning of APN 410-07-427B from R-36 to R-9 to allow a manufactured home subdivision. We are very STRONGLY AGAINST this. As it will depreciate the value of our home and surrounding homes. When we bought our property in the '90s it was with the stipulation that a house could only be built in every 5 acres. To bring 30-40 manufactured homes to this area would not be good for the value of our home ->*

and surrounding homes. It will bring a high crime rate and unknown people to our area. This area was supposed to be just for built homes in every 5 acres and not manufactured/trailers homes. As we stated before we are against this rezoning. We do not agree with rezoning this area.
