Subject: Board Member Interest

Hello,

I am interested in serving the community as a Board Member of MJFD Governing Board in any capacity needed. I would like to apply for one of the open positions on the Board. I live at 262 N Dorothy Ave, and have been there since March of 2021. I am eligible to vote.

My qualifications include Firefighter since 1991 and a paramedic since 1997. I am also a State qualified Engine Boss and Task Force Leader in wildland. I have worked for fire districts including Three Points 2001-2011, Sonoita Elgin 2011-2014 and Arivaca in 2014. I was a member of the Elephant Head Volunteer Fire Department until November of last year when we agreed to consolidate and merge with Helmet Peak Fire Department which was completed in June. I am currently a Division Chief in charge of their wildland program with San Simon Fire District. My wife and I currently own and operate Fireant LLC across the street from the Admin building.

My experience includes extensive management in writing and managing grants including RFA wildland, CDBG, SAFER and AFG grants, fire district budgeting, in addition to annexation and district formation so I am familiar with District law and procedures.

I was successful in getting Three Points ISO rating from a 9 to a 5/8b in 2005 which reduced insurance rates for residents and businesses. I also have a Bachelors in Business Management.

I appreciate your consideration. If you would like any further information or qualifications. You are welcome to call 520.310.3187 or email anthisfe@gmail.com.

Thank you
