SUBJECT: Arizona Qualification System Credential

Director Daniel S. Duchon,

We are writing to inform you that the State Qualification Review Board has approved your recommendation for credentialing as an Type III All-Hazard Operations Section Chief within the Arizona Qualification System.

The Qualification Review Board recommendation along with your Authority Having Jurisdiction certification completes the qualification requirements necessary to receive this state credential. This credential recognizes your knowledge, experience, training, and capability to perform the duties of an All-Hazard Operations Section Chief

Your credential for the AQS Type III All-Hazards Operations Section Chief (#039) is valid for five years from issuance. If you have questions regarding your credentials, please contact the Arizona Qualification System Team. Thank you for your dedication and service to emergency management in the state of Arizona.

Respectfully,

Gabe Lavine, AQS Chairman
Director - Emergency Management Division
AZ Dept. of Emergency and Military Affairs
